ANNUAL MEETING HELD

The Annual Business Meeting of the congregation was held on January 22, presided over by retiring moderator, Louis Wilkins. The reports wer all received with appreciation of the many volunteer hours spent in the wide variety of services provided by our committees, boards, and organizations. The reports were all received with approval. Several other items were discussed but no official action was taken.

Mr. Wilkins introduced the 1978 moderator of the congregation, Dr. J. E. Danieley, who closed the meeting with prayer.

Copies of the annual reports and the new issue of the membership directory are available to each of you. Please secure a copy from the narthex table.

LENT

The season of Lent is a period of 40 days - excluding the six Sundays - beginning on Ash Wednesday and culminating on Easter. The 40 day period relates closely to the 40 day fasts of Moses and Elijah and Jesus Ash Wednesday this year comes on February 8 and Easter comes on March 26

Lent is primarily a time of preparation. In its origin it was the time when the new converts would prepare for the new duties which they were to assume when they were baptized and confirmed during the Easter season.. In time it was realized that all Christians need to prepare for more faithful service to the Lord. Whatever disciplines we undertake should be calculated in the light of that purpose.

WOMEN'S FELLOWSHIP

Circles of the Women's Fellowship meet as follows:

Circle 1 on Feb. 6 at 10 a.m. with Sarah White
Circle 2 on Feb. 6 at 10 a.m. with Bertie Fields
Circle 3 on Feb. 6 at 8 p.m. with Jane Alexander

CONFIRMATION CLASS

Each year we offer special classes for our young people as a part of their preparation for membership in the church. In this period together, we will study the Bible, church history, the Christian faith, the sacraments, and the meaning of church membership. The first session will be Sunday, February 5, at five o'clock. All young people who are in grades 7 or 8 are encouraged to attend. The classes will meet in the library and will be led by the pastor.

THRIFT SHOP OPENS

We announced last time the grand opening of our new thrift shop. Everything was prepared. The room was filled with usable winter clothing. Members of the Community Service Committee were scheduled to help all comers. Then came the ice storm! So, we have another grand-opening date. It is February 4. The hours are 10:30 a.m. to 12 noon and the place is the Parish House. The Trift Shop is intended to provide good, used clothing to the community at a most modest cost. You are invited to contribute cleaned used clothing or to purchase items of need.

MINISTERS MEET

As promised last Sunday, our area clergy met yesterday to formulate a statement covering the issue of the Wilmington Ten. Fifty-eight ministers were in attendance. While these clergy speak only for themselves, their statement of concern is printed here in its entirety.

"The Purpose of our gathering was to work with and for the Southern Conference, Associations, local churches, Conference boards, officials, and the staff. We wanted to understand better the concerns brought upon our local churches and Conference by the Wilmington Ten issue.

"We came to the meeting with a common concern for the agony, distress, and division widespread among our churches, and among ourselves, regarding the Wilmington Ten, the publicity our churches are getting, the use of funds, and the unrest and concern experienced by our pastors and parish members.

"We feel that we should make a public statement about where we stand on this one particular emotionally laden issue. Ours is a "free" church in which individual members and churches speak only for themselves. Some of our fellow ministers will agree with this public statement, some will no The only thing we ask of those who may disagree is that they grant us th same right they seek for themselves. The General Synod, Executive Counci and all denominational instrumentalities may speak only for themselves. The local church in its autonomy has the authority to speak for itself. As ministers, we are exercising our right to speak our minds in a free church on this highly controversial issue, and we grant this same privi lege to those who may disagree. Granted we may have differences of opinion; we still affirm our oneness in Christ.

"The United Church of Christ has invested several hundred thousand dollars in the defense of the Wilmington Ten, and we feel that in light of our mission priorities, any further expenditures of Our Christian World Mission funds for this cause would not be to the best interest of many of our churches.

"We regret the divisive and derogatory rhetoric expressed by certain denominational officials, as reported in news releases. We have found these to be accusative and disrespectful of the motives, character, and personhood of others.

"In light of the above statement, we recommend the following:

1. that the Board of Directors of the Southern Conference confirm the role of the Conference Minister as official spokesperson of the United Church of Christ within the bounds of the Southern Conference on news releases and other public communi cations.

2. that the Executive Council of the United Church of Christ work closely with other denominations in the establishment of a voluntary Ecumenical Wilmington Ten Defense Fund and pursue this with deliberate speed.

3. that the voluntary Ecumenical Wilmington Ten Defense Fund take the place of the present basic financial support system of the Wilmington Ten by the United Church of Christ."

YOU'VE BEEN THANKED

Letters of appreciation have been received recently from two of our nstitutional directors. Copies are posted on the bulletin board. Excerpts from each follows:

"The generosity of your church in contributing $400.00 continues to be very vital as we endeavor to meet the needs of the boys and girls in care."
Thank you... (Dr. W. W. Snyder
Elon Home for Children)

"Your generous gift of $750.00 has been placed in our Sustaining Fund which supports elderly persons whose life span has exceeded their financial resources. Please convey our thanks..." (Lawrence N. Strunk

MEET JACK LOCICERO - OUR YOUTH MINISTRY INTERN

Since last July our Committee on Christian Education and Board of Deacons have been searching for the right person to guide our ministries to and through youth. Several persons have been interviewed and all have shown the abilities and personal qualifications for the job. We think the right decision has been made in the selection of Jack LoCicero.

Jack was born in San Pedro, California and lived in the Southern California area for 9 nears before moving to Las Vegas. He has one brother and three sisters. He graduated from Western High School in Las Vegas in 1972 and attended college in St. George, Utah for one quarter before enlisting in the U.S. Navy.

He served as an Administrative Specialist and advanced to the rank of Second Class. He was on three different ships and went overseas twice, seeing action in Vietnam both times. Jack received citations for the evacuations from Cambodia and Vietnam while overseas. Onboard ship he was a drug exemption and Human Relations representative.

While stationed in San Diego he was Youth Moderator for East San Diego Presbyterian Church for a year and a half until being discharged from the Navy, January 1977. After moving back to Las Vegas he became senior high advisor for The First Presbyterian Church in Las Vegas.

Jack is now a sophomore at Elon College and is majoring in Religion and Community Services. He is also employed part time at Wesley Hall of Alamance which is a halfway house for alcoholics, drug addicts, and mentally disturbed. He is a brother of Kappa Sigma Fraternity on campus. He loves to snow and water ski, loves football, hates Howard Cossell and grits. Enjoys spending a lot of time outdoors and working with youth.

Jack became a Christian as a senior in high school and has a vocational direction along the lines of youth services. We welcome him to our church staff as Youth Ministry Intern.

YOUTH MINISTRY

I would like to thank the parents and youth for the large turnout or our carry in lunch last Sunday. I really was excited to see the otential of our senior high youth group all together. An open invitation is given to all our Senior Hi Youth to become a part of our fellowship. The group has been discussing ways to rearrange the senior hi classroom. They would gladly receive the loan or donation of a ping-pong table, a sofa, and some carpeting. Please call me at the church office if you can help with this project.

I want to thank the congregation for its support in my first month with you. You have made our youth ministry most enjoyable.

CONGREGATIONAL MEETING

The Board of Deacons has called a congregational meeting for March 19, following the Service of Worship, in order that the congregation may act on recommendations relative to the purchase of a new pipe organ. We urge the attendance of every member.

Background: The present instrument, having had two previous owners, was installed nineteen years ago with the hope that it would be serviceable "for a few years". It has served us well and for longer than anticipated. In 1972 an in-depth study concluded that the instrument did not lend itself to renovation or further additions and the wisest course would be to develop plans for the purchase of a new instrument.

In 1977 the Board approved recommendations from the Music Commi that an organ fund be established and that an organ committee be appointed. During the year the Music Committee interviewed various builders consulted experts and heard twenty or more organs. The final report of the organ committee to the Board of Deacons resulted in the recommendations to be presented to the congregation. A complete report is on file and may be examined in the church office.

Recommendations:

1. that sanctuary acoustics be improved by modification of the sanctuary ceiling

2. that the openings to the organ chambers be enlarged for improved sound transmission

3. that the south choir area be modified for the placement of the console in the center

4. that contract agreement be made with Casavant Organ Compan for the purpose of building and installing a new pipe orga The organ will be electric-pneumatic action, two manual, twenty five ranks, and at a specified cost of $67,947.

5. that a church-wide campaign be held to secure contribution and pledges.

March 19____Palm Sunday. Individual palms will be distributed. The Adult Choir will be presenting portions of Vivaldi's "Gloria".

March 23____Maundy Thursday. Our 7:30 Service will include altar communion.

March 24____Good Friday. An ecumenical "Watch Service" is being held at First Presbyterian Church from 12 noon until 3:00 p.m. You are invited to attend all or any portion of the Service.

March 26____Easter. An Easter breakfast of ham and eggs will be served by the Christian Education Committee, at 8:30. Reservations should be placed with the office secretary by March 19. Deacons will assist with the Sacrament of Holy Communion at 11:00. Those who wish to place a lily in the chancel should have them here on Saturday evening.

PALM SUNDAY MUSIC

From time to time I have attempted to bring new ideas to the worship service through the music that is performed. Our anthem for this Sunday has some unusual features that I feel are worthy of explanation. The choir will perform the opening chorus of the Vivaldi Gloria. This Baroque work was written for chorus, soli, and orchestra. For our performance of this chorus the orchestral accompaniment has been performed by a synthesizer and taped. We will use this tape to accompany the choir. I hope that our musical participation will enhance the worship experience for each of you. (M.A. Bragg)

THE FUN CLUB

You are invited to the next get-together of the Elon College Fun Club, Tuesday March 28 at 10:00 a.m., one week later than usual since the regular meeting day falls during Holy Week. Mrs. Fred (Phyllis) Young will tell about their month in London with the winter term study group. Come hear a delightful lady talk about delightful London town. Refreshments will be served.

CONFERENCE MEETING

All our ordained clergy holding standing in one of our Associations are also official delegates. You are encour to study the reports of the next issue of the Southern Conference Ne and forward any suggestions to our delegate.

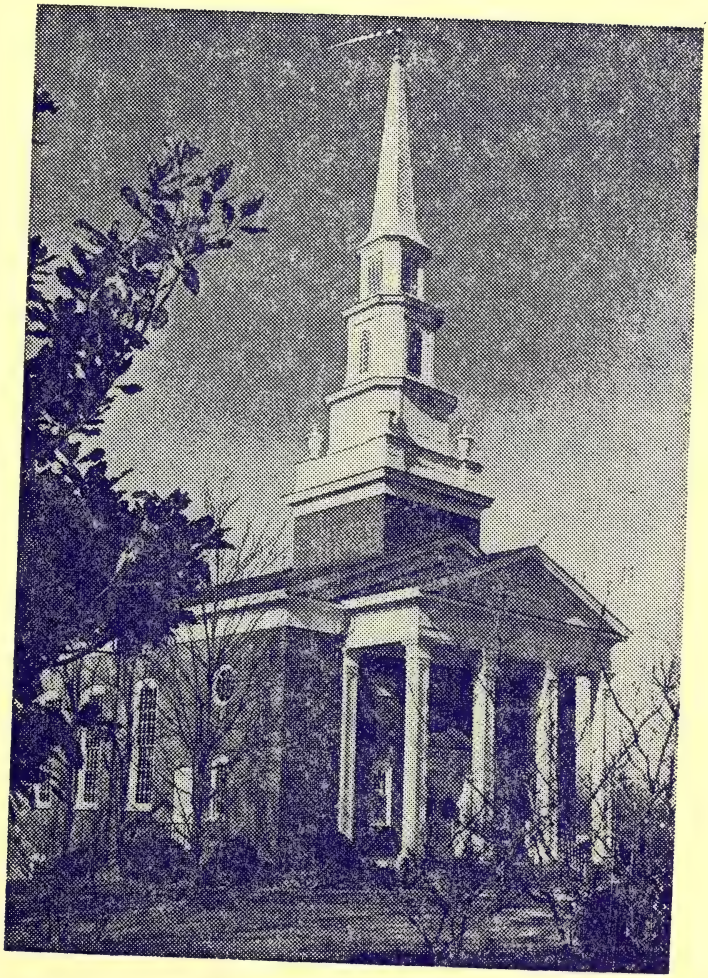
AN EXTRA ISSUE

REGARDING A NEW PIPE

ORGAN FOR OUR 90th

BIRTHDAY.

THE
ORCH



PLANNING FOR A NEW ORGAN

IN 1981 - the date is April 19, 1981 - we will be celebrating our 90th birthday. You are invited now to share in preparing to celebrate. To honor the occasion, the Elon College Community Church plans to present to itself and future generations a magnificent gift - a new Casavant pipe organ. This instrument will be built especially for our sanctuary.

THE PRESENT INSTRUMENT, having had two previous owners, was installed nineteen years ago with the hope that it would be serviceable "for a few years". It has served us well and for longer than anticipated. In 1972 an in-depth study concluded that the instrument did not lend itself to renovation or further additions and that the wisest course would be to develop plans for the purchase of a new instrument.

IN 1977 THE BOARD OF DEACONS approved recommendations from the Music Committee that an organ fund be established and that an Organ Committee be appointed. During the same year the Music Committee interviewed various builders, consulted experts, and heard twenty or more organs. In early 1978 the committee recommended to the Board of Deacons that we prepare to purchase a two-manual, twenty-five rank, electro-pneumatic Casavant Pipe Organ by holding a church-wide finance campaign to secure pledges and contributions. In addition, some modifications should be made to the organ chambers, the sanctuary ceiling, and the south choir area. The Board approved the recommendations unanimously.

A CONGREGATIONAL MEETING on March 19, 1978 approved the same recommendations and preparations were to begin for the finance campaign. The specified cost of the new instrument is $67,947, excluding the various costs of modification and alteration.

THE OBJECTIVES of the finance campaign are:

1. to fully underwrite the cost of the new pipe organ with contributions and pledges so that no debt will be incurred

2. to suggest categories of giving within the abilities of every member of the congregation

3. to reach a goal of $72,000 over the three-year period of 1978, 1979, and 1980.

HE FINANCE CAMPAIGN will have three phases:

1. Phase I begins with a Family Night on Sunday evening, April 16, just three days before our 87th birthday. Members of the Organ Committee, the Music Committee, and the Board of Deacons will present the proposal and respond to questions. Pledge cards will be available but should not be submitted until the following Sunday.

2. Phase II will allow men and women from our congregation the opportunity to call upon other members who could not attend the Family Night. A general canvass will be held on April 30, during the afternoon. Persons may request such a personal visit at a more convenient time, if they wish.

3. Phase III will include contact through correspondence with the members of the congregation who live outside the immediate area.

U WILL BE ASKED to consider seriously your ability to contribute in e following categories:

$9000. over the three-year period

$ 900. each year for three years

$ 900. over the three-year period

$ 90. each year for three years

MEMORIAL BOOKLET will record permanently all memorials, honoraria, and ntributions in each category.

RTHER INFORMATION may be sought from members of the Music Committee: Gertrude Barney, Melva Foster, Howard Edgerton, Peggy Lackey, Iris Holt, Wesley Alexander, Mary Graham Mackintosh, Barry Oxford, Mary Shaw Cunningham, chairman.
rom members of the Organ Committee:
Mary Shaw Cunningham, Caroline Powell, Louis Wilkins, Mary Alice Bragg, Director of Music, Thomas R. Hamilton, Pastor, D. Marsh McLelland, Chairman.

In cooperation with Alamance County Beautiful, Elon College Mayor Thomas Smith has declared April 16-22 as "Clean-Up Week". Our efforts inside the buildings last week set the pace for the same kinds of activities at home. Mrs. Roy Setzer has written a few lines to get us started:

Save every tree you can. Plant trees.
Cut grass in ditches and clean ditches.
Edge the lawns at the pavement.

And, please--the litter! Help us get it up!
You didn't throw it down but no one else is
going to pick it up.

The Elon College Community Church was founded April 19, 1891. Originally the official name was the Elon College Christian Church. In 1923 the name Elon College Community Church was adopted. With the merger of 1931, the congregation became a part of the Congregational Christian Churches. Again upon the merger with the Evangelical and Reformed Church in 1957, the congregation became a part of the United Church of Christ.

The more than 400 present members come from many denominations and background, making this truly a "community" church.

For many years the church used the chapel and other facilities of the College. In 1948 the Parish House became a center of community activity.

The first service of worship in the new sanctuary was held August 16, 1959. Two years later the parsonage was built at 111 Atkinson Avenue.

The educational annex containing offices and library-conference room as well as a variety of classrooms was consecrated September 12, 1976.

You are invited to worship with us and to share in the full program and activities of the Elon College Community Church. It is our hope that you also will seek to join us in our shared ministries to each other, to this community, and to the broadest reaches of Christian influence.

This coming Sunday our special music will be provided by Ellen Barney Williams, formerly of Burlington, and James Rochelle of Raleigh.

Mr. Rochelle is a soloist at Pullen Memorial Baptist Church in Raleigh and has sung professionally in the Raleigh area. He has studied at the School of the Arts in Winston-Salem.

To many of our congregation Ellen Williams is no stranger. She is the daughter of John and Gertrude Barney and grew up in our church. She did her undergraduate work at Meredith College and completed her Master's degree in Voice at New England Conservatory. She has been a member of the faculty at Meredith for the past two years. Ellen is married to Douglas Williams who has been employed at East Carolina University as their piano technician.

Ellen and Doug are leaving in a couple of weeks for London where they will be living for the next year. Doug is beginning a new job with Steinway Piano Company as a technician. Ellen will be studying voice. We are proud of Ellen and Doug as they have been such a vital part of our church community. We wish them well in this new and exciting endeavor.

THE CHORAL CENTER

For the past six weeks our Choral Center has been used for recitals by members of our congregation. The students of Mary Alice Bragg, Andree Price, Linda Sonovick, Peggy Lackey, Winifred Barney and Mary Anne Johnston have performed for their parents and friends. Approximately 50 people have been involved in these programs, most of them from outside of our church.

I am pleased that the Updyke Choral Center has attracted this kind of activity and proud that our church has this facility.

ORGAN FUND GROWING

We are now six weeks into the campaign to raise funds to purchase a new pipe organ. The results in terms of interest, cooperation, and participation have been marvelous. We believe that every family in the church membership has now been contacted. It is most promising.

More specifically, here is what we now know:

75	families have made pledges
$40,000	has been pledged over three years
10,000	is in the Organ Fund ($5,000 of which is from the pledges above).
12,000	is anticipated in Christmas bazaars the next three years
3,000	is anticipated in memorials exclusive of pledges

If we could sign a contract for the proposed organ soon, the total cost including installation would be $70,000. Sanctuary renovations would approximate $10,000. We, therefore, are only $20,000 short of our goal. In the next couple weeks, telephone contacts will be made with those who have not pledged. Any other suggestions in meeting our goal will be appreciated.

A PASTORAL THANK YOU

June 4 was truly a memorable day. Following the Service of Worship, Dr. J.E. Danieley, Adelia Truitt, and Mack Lackey came forward to present the Pastor a new Bentley and Simon doctoral pulpit robe and academic hood. What a fine and treasured gift! A pulpit robe is a continual reminder of the vows of ordination and ministry. It is accepted with deep appreciation of your kindnesses and the ministry we share. The hood is basic black and is complemented with the yoke of red representing a theological degree and the blue and grey of the seminary granting the degree. Normally the hood would be worn for occasions emphasizing education or special celebration in the life of the church. The third gift was a total surprise and is not comprehended in its fulness yet. It was a cash gift of $1370. representing the responses of the secret invitation to share directly in the special day. I must say I am overwhelmed by your kindness and concern. I am nearly, but not quite, speechless. I can still say we are deeply touched and most grateful. Thank you.

FATHERS AND SONS

The challenge has now been issued. No one seems to remember whether it was initiated by the fathers or the sons. Some have said the fathers could not be so foolish. The challenge is to a softball game on Sunday, June 18, at six o'clock. Resuscitation efforts and gatorade are to be provided by the girls' brigade. We hope you all can come. Fathers of any age are qualified for the one team and sons of any age for the other team. An out-of-state source conjectures that the Fathers are favored since it is Father's Day.

HERITAGE TOURS

Some of our folk have attended the past several Heritage Bus Tours sponsored by the Conference Commission on Church Life and Leadership. Information on past tours is available through Bill and Evelyn Terrell, Eleanor Kittenger, Rev. and Mrs. Rinker, or Dr. and Mrs. Hamilton.

This year there will be two separate tours:

Summer Tour - July 28-August 1 - to Eastern Pennsylvania
Fall Tour - Sept. 22-28 - to Western Pa., Ohio, and Kentucky with emphasis on "Christian" church history.

We know of five of our members who plan to attend the Fall Tour. Dr. Hurst or our Pastor can provide you detailed information. Registrations are being received daily.

SUMMER CHURCH CAMP

We remind you again that now is the time to register for camp at Moonelon, Johns River, or Franklinton Center. Usually 15 to 20 of our youth attend each summer but so far only six have signed up this year. The schedule is posted on the bulletin board and registration forms are on the downstairs literature table. Hurry.

NEWSETTES

Adelia Truitt was involved in a fall on Monday evening. She is now wearing a shoulder cast but resting comfortably at County Hospital. ..The requests for birthday information are receiving healthy responses.

FUN CLUB

The Elon College Fun Club will meet on Tuesday, June 20, at ten o"clock in the church library. This will be the last meeting of the club until September. After a brief business session, the group will move on to the Chapel at the Elon Home for Children to enjoy a program by a choral group from the Home. Transportation will be available from the church to the Chapel for any who desire it. This choral group has recently returned from a tour of New England where they presented their program in a number of churches. Invite a friend to enjoy this program with you.

WOMEN'S FELLOWSHIP

It is reported that the Mothers and Daughters fully enjoyed their banquest on June 12. Good fellowship, good eating, good fun. An overhead projector was used to show "old timey" pictures of the ladies we love so dearly. Thanks to Teenie Burchfield and Beth Wilkins, the program planners, and to all the folks who helped.

The following new officers were elected:

President: Phyllis Young
Vice President: Beth Wilkins
Secretary: Diane Gerlach
Treasurer: Lou Harper

FAMILY NIGHT - JULY 4

Last year on July 4, many of our families joined the ECCC band for its premiere performance. We heard guitar, kazoo, dish pan, zylophone, castanets, drum, various horns, ukes, cymbals, harmonicas,, clarinets, and more. By popular demand, Mary Alice Bragg is being called back to the podium and the band reassembled for its second annual appearance. We hope you will bring your instrument and join the fun.

We will gather in the oak arbor beside the Parish House at 6:30 p.m. Please bring also your freezer of ice cream - any flavor. Celebrate the Fourth with your church-friends.

Those who can bring ice cream and/or cookies are asked to sign on the bulletin board so that we can be sure of plenty for all.

You not only graciously shared your fellowship hall and other facilities, but yourselves, in making this a memorable occasion for all.

We enjoyed and appreciated those who were able to join us for this special day and we are indeed grateful for the large part you had in honoring Mr. and Mrs. Cockman." (Signed: Mrs. Jean King)

CHURCH WOMEN'S FELLOWSHIP

The Mother-Daughter Banquet held in the Parish House on June 12 was a huge success. Slides showing mother and daughter pictures from years past provided one of the highlights of the evening. Mothers haven't changed much so there was no trouble guessing the faces.

Another highlight was a visit from Mrs. Jerry Moore and her daughter, Nichole. Gayle is president of the women of the ENC Association and in that capacity presented our out-going president, Maurine Gminder, a life membership in Church Women of Southern Conference, a gift from the local fellowship.

New officers were elected as follows:

President:	Mrs. Fred Young
Vice President:	Mrs. Louis Wilkins
Secretary:	Mrs. John Gerlach
Treasurer:	Mrs. Kenneth Harper

These officers and committee chairmen will be installed at the September meeting.

It was voted (1) to provide refreshments at the local prison camp following a Bible study there this summer, (2) to pay the registration fees for the new president and vice-president to attend Summer Conference and (3) to serve refreshments to those attending Bible School.

We regret very much that Adelia Truitt fell as she was entering the Parish House and had to be rushed to the hospital.

The 1978 Summer Conference was held at Catawba College on June 19-21 on the theme "What Price?"

Three women from our local fellowship were among the 230 who attended: Phyllis Young and Beth Wilkins, incoming president and vice-president, and Verona Danieley, incoming Christian Education Chairman, who was also on the planning committee for the conference.

Rev. Joyce Myers, a graduate of Elon College and former missionary to Angola, has been elected to the staff of the Office for Church Life and Leadership as Associate Regionally Deployed in the Southern Region. She was the Bible Study leader for the conference. Dr. Emmett Floyd, president of the Board for World Ministries, was the Monday evening speaker. On Tuesday evening, Dr. Sanford Silverberg, professor of political science at Catawba College, spoke on "Human Rights." Program materials and special concerns of our denomination were presented during the conference.

The special project for this year was health kits. Over 363 kits, valued at more than $3 each and $167 in cash were received during the International Dinner on Monday evening.

CONGREGATION ON THE MOVE

Speaking of being on the move, starting August 6 we will move our Service of Worship to Whitley Auditorium on the Elon College Campus - for a few weeks. Renovations will begin on the sanctuary on August 7. While there will be considerable inconvenience we are certain that the freshly-painted walls, new ceiling, and improved acoustics will make it all worthwhile.

We are grateful to Dr. Fred Young and other Elon College officials for allowing us to use Whitley. It will be like going home again since our congregation met regularly in Whitley until 1959 when the sanctuary was built.

On August 13, we will meet at the church parking lot to process to the auditorium. You'll hear more about that later.

GUEST MINISTERS

We are very grateful to Dr. Walstein W. Snyder for serving as our guest minister on July 9. Dr. Snyder is well-known to this congregation and area as he serves as Executive Director of the Elon Home for Children. On July 16, we shall be pleased again to welcome the Conference Minister, Dr. James H. Lightbourne, Jr., to our pulpit. Dr. J. E. Danieley will lead our Service of Worship on July 23 and Dr. Robert Delp on July 30.

THE PAINTING PROJECT

Perhaps 1978 will be remembered as the year we painted. The downstairs classrooms and hallway are nearly completed and match the color-schemes of the addition. In August and September the sanctuary exterior and interior will be painted. It's a big project and an expensive one, but it needs doing. Thanks to the Trustees for their time and effort.

WATERCOLORS EXHIBIT

Jean Simons will be the featured artist in an exhibition of watercolors at the Priestly Fine Art Gallery from July 16 until August 5. The Gallery is open Tuesdays through Saturdays from 1:00 P.M. to 6:00 P.M. The artist will be present for an invitational preview on July 16 from 3:00 P.M. to 5:00 P.M.

SERVICES AT WHITLEY START AUGUST 13

As most of our area members know, major renovations will take place in our church sanctuary during the last three weeks of August. On August 13, 20, and 27 (and September 3, if necessary) our Sunday morning Service of Worship will be held at Whitley Auditorium. Church School and other activities will continue in the usual locations. We are grateful to Elon College for the use of their facilities during this renovation period.

ON AUGUST 6 OUR SERVICE OF WORSHIP WILL BE HELD IN OUR CHURCH SANCTUARY, AS USUAL, WITH DR. HAMILTON RETURNING TO THE PULPIT.

Then on August 13, church school will close at 10:30 and we will gather by the large oak near the parking lot. The procession to Whitley will begin at 10:45 and will include:

The Pastor and Deacons
The Director of Music and Adult Choir
Those who were members 19 years ago when we moved from Whitley
Church School officers, teachers and pupils
All other members and visitors

These Sundays at Whitley offer many of us the opportunity to share in the unique and rich heritage this congregation has lived with Elon College. Join us August 13.

HEY, IT'S GOOD TO BE BACK HOME AGAIN

With credit to John Denver for singing it first, it's good to be back home. The first couple weeks of vacation were spent at home with those chores familiar to most home-owners. Several of those days were spent in church-work, but most was home-work. Then we enjoyed a college reunion-of-sorts in the Washington area, followed by delightful visits with the Dave Nichols Family and the Erle Hutchins Family. Two days of relaxation in Pa. and three days of visiting in Massillon, Ohio rounded out the week. It was nice to be gone. It's good to be back. Thank you for permitting, even encouraging, the needed change of pace.

SERVICES AT WHITLEY START AUGUST 13

As most of our area members know, major renovations will take place in our church sanctuary during the last three weeks of August. On August 13, 20, and 27 (and September 3, if necessary) our Sunday morning Service of Worship will be held at Whitley Auditorium. Church School and other activities will continue in the usual locations. We are grateful to Elon College for the use of their facilities during this renovation period.

ON AUGUST 6 OUR SERVICE OF WORSHIP WILL BE HELD IN OUR CHURCH SANCTUARY, AS USUAL, WITH DR. HAMILTON RETURNING TO THE PULPIT.

Then on August 13, church school will close at 10:30 and we will gather by the large oak near the parking lot. The procession to Whitley will begin at 10:45 and will include:

The Pastor and Deacons
The Director of Music and Adult Choir
Those who were members 19 years ago when we moved from Whitley
Church School officers, teachers and pupils
All other members and visitors

These Sundays at Whitley offer many of us the opportunity to share in the unique and rich heritage this congregation has lived with Elon College. Join us August 13.

HEY, IT'S GOOD TO BE BACK HOME AGAIN

With credit to John Denver for singing it first, it's good to be back home. The first couple weeks of vacation were spent at home with those chores familiar to most home-owners. Several of those days were spent in church-work, but most was home-work. Then we enjoyed a college reunion-of-sorts in the Washington area, followed by delightful visits with the Dave Nichols Family and the Erle Hutchins Family. Two days of relaxation in Pa. and three days of visiting in Massillon, Ohio rounded out the week. It was nice to be gone. It's good to be back. Thank you for permitting, even encouraging, the needed change of pace.

THE TORCH

Published semi-monthly during the weeks prior to the first and third Sundays

THE MOVE WAS SMOOTH

Last Sunday our Service of Worship was held in Whitley Auditorium for the first time in nineteen years. It was repeated often that there was a re-affirming feeling in returning to Whitley where the congregatic met regularly for worship until 1959. For many "older" members this was church home; for many "newer" members it was a unique opportunity to share in this aspect of our church history.

What is most gratifying is the spirit of cooperation evidenced in this interim church worship location. Elon College is most supportive; our choir rehearsed in both locations; many persons helped in moving articles from one location to the other; the congregation participated eagerly in the procession. And the attendance was good for an August Sunday.

On the church-home-front, you may have noticed the scaffolds in th sanctuary and the ladders stored outside. Painting is near completion c the exterior. Soon a coat of plaster will replace the ceiling acoustica tile. The walls will be patched and painted. And the organ chamber openings will be enlarged. It is anticipated that the renovation will enliven the sanctuary for congregational participation in worship and will provide better acoustics for the new organ.

We expect that another two or three weeks will be needed to complete this project. During that time we will continue to hold Services of Worship at Whitley and other activities at the church site.

HERITAGE TOUR - 78

We announced earlier the 1978 Heritage Tour which will depart from Elon College (September 22-28) for Pennsylvania, Ohio, and Kentucky. Th tour is sponsored by the Southern Conference and will have Clyde and Bertie Fields as escorts. Our Pastor will be one of the tour leaders. The cost is $205. for double motel occupancy. At this writing there are still several vacancies on the bus which will originate here. Please contact the Pastor for further information.

IT'S EXPENSIVE TO PAINT A STEEPLE

Someone asked the other day if we have the money for all this painting. That's a good question! And there are several answers. First, we can't afford not to paint. Maintenance of the church property is a necessary expense. While the exterior has been repainted several times, the interior has not been repainted in 19 years.

Secondly, as the treasurer's reports each year have shown, some moneys have been reserved for such large projects. The projects now begun will exceed those savings by about $500. But we are able to proceed with the improvements only because of advanced planning and regular and generous contributions.

Thirdly, since none of us can or should paint a steeple, perhaps you can further help us get through this expensive time with an additiona contribution. Funds are still needed.

FOOTBALL SUNDAY

That's the informal designation we have given to the annual visit of the Elon College Fighting Christians. We are pleased that the football coaches and players visit with us on the Sunday after fall practices begin. We hope you will greet and welcome them on August 27 as we worship in Whitley Auditorium.

The following adults served as leaders: Thelma Elliott, Judith Church, and Jenette Routh. George Troxler was a member of the staff.

SECRETARY RESIGNS

For 52 weeks Mrs. Roberta Starr has assisted us greatly as church and financial secretary. Her's is the voice greeting you cheerfully when you called the church office. The accurate accounting of your contributions is due to her painstaking care. The Sunday bulletin is her weekly product and the punctuality of "The Torch" twice a month is due to her personal and secretarial skills. In appreciation of her varied services, but with reluctance, the Board of Deacons has accepted her resignation, effective August 15. We are grateful to her for her services and personal interest in our congregational life. We wish her well!

CONFIRMATION CLASS

Pictures and certificates for the 1978 Confirmation Class and other new members are now available and may be secured in the Church Library.

UPDATE ON ORGAN PROJECT

The primary item of concern at the August Board of Deacon's meeti was the organ project. The Board received the unwelcomed news that the Casavant Company has found it necessary to begin a 5% inflationary increase on all organ contracts signed after August 31, 1978. The questi was, "Are we in a position to sign a contract by that date?".

The cost of a 23 rank Casavant is $62,000 (or $65,000 after the increase). In addition, $10,000 has been designated for sanctuary renovations in preparation for a new organ.

As for income: 80 families have pledged approximately $43,500. Other anticipated income through bazaars and memorials bring the total to $67,000. That total is $5,000 short of the projected needs.

The Board therefore re-affirmed its commitment to this project but deferred the signing of contracts until reconsideration near the end of the calendar year. In the meantime, it is hoped and expected that additional pledges or gifts will be received.

TEACHERS AND AIDES

The roster of teachers for the new semester in the church school i now being developed. There are some vacancies! If you can help in this area, please contact Louis Wilkins or the Pastor.

ONE MORE SUNDAY AT WHITLEY

Whitley Auditorium has been our church home for the past three Sundays WITH ONE MORE SUNDAY TO GO. The arrangements there have worked out most satisfactorily, as we expected, and we are very grateful to El College for allowing us the use of the building.

The renovations to our church sanctuary have proceeded precisely as planned. The ceiling tile is already removed and replaced with an attractive plaster. This week the painters have begun their work and expect to finish in time for the sanctuary to be available for our use on September 10.

Sincere appreciation is also expressed to the congregation for th prevailing spirit of patience and cooperation amid all the inconvenienc We believe you will be pleased and proud of our re-conditioned faciliti

PROMOTION SUNDAY SEPTEMBER 10

This has been a hard summer on Church School and Church Worship attendance. It seems that more families are gone more and more on lengthier vacations. Believe me, absences were obvious. As schools begin and Labor Day approaches, we are feeling again the excitement of increased activity.

Our fresh start in the Church School begins September 10 with Promotion Sunday. It's a good time for children, youth, and adults to get back into the Church School habit. It also will help teachers to know the members of their new classes.

So, how about starting with us? The entire Church School will meet in the sanctuary at 9:45. Superintendent Louis Wilkins will presi over the assembly, teachers will be introduced, and pupils will be assig to new classes. Hope to see you there.

BAZAAR

Let's have another bazaar! As a result of the successful baz we had last year, we have decided to try again to raise money for the organ fund.

Our efforts last year produced over $3,000. Let's try to dou those figures this year. Those of us who worked on the bazaar had a l of fun working together and the fellowship among our members was an added benefit. In order to accomplish our goal this year, it will tak all of us being actively involved in some way.

The first date to put on your calendar is September 14. A Cr Workshop will be held at the church and all members are invited to par ticipate. The workshop will be an all-day effort and you may drop in any time and stay as long as you like. Materials and instructions for crafts will be provided so all you need to do is come and help us make some crafts for the bazaar.

Mary Alice Bragg and Peggy Lackey will be in charge of the ba and will coordinate the workshop. Madge and Edith Brannock will be in charge of the baked goods and Kathleen and Gene Lankford will supervis the live wreaths to be made. We need help in the following areas:

Craft making
Baked goods
Wreath making
Workers for the Bazaar
(Workers to help set up before the bazaar
Workers to help clean up after the bazaar)

PUBLICITY

With such a variety of jobs available, everyone can certainly get involved. A list will be posted in the Narthex in the next couple of weeks, so sign up to help.

We have decided not to include plants and the white elephant items in our bazaar this year. Instead it has been suggested that we

might ask for more valuable items that the donor would price with the understanding that if the item does not sell for that price it would be returned to the donor. Some suggestions are furniture, pictures, silverware jewelry, china, garden tools, etc. If you have other items, don't hesitate to call one of the coordinators.

One of our main goals for this year is to double the amount baked goods we had last year. Never has food disappeared so quickly! Your beautiful tea rings, cakes, pies, cookies were sold immediately. If you baked one cake, please consider making either two cakes or something else, in addition.

There will be some expenses on our part in having a bazaar. Last year these expenses were approximately $300. This year they will be somewhat higher. If you wish to make a contribution toward these expenses, it will keep our overhead lower and profit higher. Any contributions should be marked "bazaar expenses".

The dynamic duo (?) has been working and planning all summer with craft ideas, so plan to join us for the Workshop on September 14.

The date of the bazaar is Saturday, December 2, 1978.

CERAMICS CLASS

Here's something new for fall!! A Ceramics class will meet weekly for eight weeks in the Parish House starting September 11 or 12. There is no registration cost but enrollment must be limited to twelve persons. Supplies will be made available at the sessions. It is expected that the classes will be held on Monday or Tuesday evenings.

You may register by calling the instructor, Sara Dodson (226-5301) or the church office (584-0391).

WOMEN'S FELLOWSHIP

The Executive Board of the Women's Fellowship will meet on Sunda evening, September 10, at 7:30 in the Church Library. All officers, de partment chairmen, standing committee chairmen, and circle leaders are asked to attend and make reports concerning their programs for the year

The Quarterly Meeting of all women will be held the next evening September 11, at 7:30 in the Updyke Choral Center.

WORSHIP COMMITTEE

The Worship Committee has scheduled a meeting for Tuesday evenin September 5, at 7:30. Members of the committee are: Ruth Cheek, Cary Matlock, Louis Wilkins, Jane Alexander, Ken Clem, Ruth Dunn, Sandra Dil Nora Griswold, and Vickie Price.

QUESTION OF THE MONTH

Someone Asked: When should I begin paying my pledge to the organ fund?

Response: Many people have already begun. Most of these contribute weekly or monthly. The pledges were made according to a certain amount in 1978, 79, 80, and 81. The plans for a new organ were therefore made anticipating the receipt of the pledges made for each year. The earlier all contributions are received, the more they support the project.

This question allows the opportunity to report that phase one of the organ project - renovation of the sanctuary - is nearly completed. Pledges continue to come in as well as contributions. As the last "Torch" stated, the Board of Deacons has re-affirmed its commitment of this project but has deferred the signing of contracts until reconsideration near the end of the calendar year. The new organ will be custom-made for our sanctuary and will be built over a period of two years after signing of contracts. It is our plan and expectation that the instrument will be paid for in full, without incurring further indebtedness, the same year it is installed. (You are invited to submit a "Question of the Month". What would you like to know?)

WELCOME STUDENTS

We have already had opportunity to welcome the football team as they worshiped with us last Sunday. During Labor Day weekend other students will be returning to Elon or coming for the first time. Some will join us <u>once</u> for worship. Most will continue if we help them to feel welcome here. Will you help?

NEW MEMBERS

We are always pleased to have visitors with us. An open invitation is extended to all our visitors to become members of our church family. We plan to receive new members in October. Please indicate your interest to the Pastor or a deacon.

SANCTUARY RENOVATION COMPLETED

Last Sunday, September 10, gave us a "Fresh Start" with the return of college students, Promotion Sunday in the Church School, the first of the Senior Hi Youth Meetings, and the return of many of our members who have been sporadic in attendance over the summer. It was also the date marking the completion of our sanctuary renovation.

Actually the renovation still lacks the completion of a number of details. These final touches will be supervised closely under the careful eyes of the committee and architect. What is most gratifying is the torrent of happy reactions to the project. The acoustics are improved and the clean paint is also lovely.

Thank you for your patience; thanks to Elon College for the use of Whitley Auditorium; thanks to the committee for the hard work; thanks to all for the spirit of togetherness.

ELON COLLEGE FUN CLUB

The Elon College Fun Club will hold the first meeting of the fall season on Tuesday, September 19. The group will meet at the church at 10 o'clock and journey to Hillsborough for a tour of this historic town. The walking tour will include the old Courthouse in Greek temple form which has been cited as an Historic American Building, the old town clock one of the most famous clocks in North Carolina, the Orange County Historical Museum with its "Homespun Room" and a series of murals entitle "The Freedom Road", an old Law Office, "The Yellow House" once used as a tavern, the Regulator Marker in an arboretum planted with rare trees, an Episcopal Church which is an early example of Gothic influence and a number of lovely old homes and much more. After the tour those who wish may have lunch together. All who are free during those hours are invited.

CHRISTIAN EDUCATION

What makes church education Christian education? There's nothing magical about it. It doesn't just happen. It requires some thoughtful preparation and a lot of hard work. But then, we recognize the fact that our willingness to witness to our faith and commitment is well worth the investment of time and energy.

There will be three sections in each seminar: One for those who work with or are interested in children's work; one for youth work; one for adult work. One of the leaders will be in each section. Ideas will be shared on which future building can take place. Thought provoking ideas. Practical ideas. There will be plenty of time for discussion and questions.

Resource persons well be Dr. Edward Powers and Mrs. Carol Wehrheim of the U. C. Board for Homeland Ministries and Rev. Richard Rinker of the Southern Conference Staff. The session will be held on Saturday, September 30, from 10:00 A.M. until 4:00 P.M. at the First Christian Church, Burlington.

NEWSETTE

The Heritage Tour sponsored by the Southern Conference and headed for Pa, Ohio, and Kentucky will leave from our church parking lot on September 22 to return on September 28. Attending the tour from our congregation are Dr. and Mrs. Richardson, Dr. and Mrs. Fields, Mr. and Mrs. Terrell, Dr. Alfred Hurst, Mrs. Eleanore Kittenger, and our Pastor. The tour will emphasize sites of historical interest in the "Christian" background of our denomination.

A one-day bus tour of some sites of historical interest in the Western N. C. Association will be held on Saturday, October 7. Cost for meals and transportation from Burlington is $8.50. This Heritage Festival is held in connection with the annual meeting of the (National) Evangelical and Reformed Historical Society in Salisbury on that day. For further information on registration, call the Pastor or Rev. Harold Holste (578-1852).

SCOUTS

Our church is the sponsor of one of the most active Cub Scout Packs in this county. The boys meet weekly in dens and monthly as a pack. Dr. George Troxler is Cubmaster and also directs the committee which oversees cub-scout activities. Boys who are at least 8 years old or in grade 3 can join now. Contact George.

A Girl Scout Troop also meets here on Monday evenings at 7:00. About 25-30 girls have been attending but they can find room for one or two more. Contact Mrs. Bill Mann (Earline).

BOWLERS

A suggestion has been made that some of our folks might enjoy the relaxation, fellowship, enjoyment, and exercise of bowling together. We think a league can be formed with other UCC congregations. Do we have three couples (married or unmarried) who are interested? We need to know now. An organizational meeting will be held on September 18. Please indicate your interest by signing the sheet on the bulletin board.

SEEKERS' CLASS

The Seekers' Church School Class is planning a covered dish supper for September 24 at 5:30 in the Parish House. Beverage and plates will be provided. Please bring your favorite covered dish.

CLASS FOR COLLEGE-AGE THROUGH TWENTIES

We've been working on plans for this class for a good while now. The need has been apparent for a Church School class for "young" adults. This includes our college-age people and also younger singles and marrieds. Starting on October 1, this class will meet with a panel of teachers. We hope for and expect a turn-out of enough young adults to keep this class going. We urge you young adults to begin this week.

SR HI YOUTH

The Senior Hi Youth Group will be having a "LOCK-IN" at the church Parish House on Saturday, October 7. We will have a good time getting to know each other again. We'll be making pizza and popcorn to help get us through the night. A Family Movie Night is also being planned as a fund-raiser for the Spring Retreat. For details on all youth activities, please feel free to call me at the church office (584-0391) or at home (449-7856).

QUESTION OF THE MONTH

Someone asked: Does the ECCC have a Youth Program?

Response: In a word, yes! In fact, we have a Youth Ministry Intern (Jack LoCicero) who works with the Senior Hi Youth and a choral director (Mrs. Mary Anne Johnston) for the Children's choirs. Youth members are voting members of the congregation and may be elected to any office in the church. Most committees have at least one youth member. Most activities in the church are for persons of all ages. Among these we list Church Worship, Church School, and Family Nights. Occasionally the youth lead in all three of these aspects of Congregational life. The Adult Choir is open to Senior high youth.

Other aspects are for particular age groups. Among these we think of quickly:

Children's Choir	Confirmation Class
Cub Scouts	Senior Hi Youth
Girl Scouts	Summer Camp
Acolytes	

The senior high youth meet each Sunday evening at 7:30 in the Youth Room. Various activities are planned by and for the youth. The response is Yes! There is a youth program.

(You are invited to submit a "Question of the Month". What would you like to know?)

NEW MEMBERS

An Orientation Session for new members will be held October 8 at 9:45 in the church library. New members will be received on October 29. New members are normally received by Profession of Faith or Letter of Transfer. If you have been visiting with us for a short or long time, we would challenge and encourage us to unite with this fellowship of faith. Please contact Dr. Hamilton to express your interest or to raise questions.

BOYS' CHOIR

Special Release: The Burlington Boys' Choir under the direction of Eva Wiseman will perform November 12 at 11:00 a.m. at the Elon College Community Church.
Read about it in the next issue.

SERIES ON THE HOLOCAUST

The Alpha Chi Honor Society of Elon College is sponsoring two programs on the Holocaust. On November 1, two films will be shown in Mooney Theater at 7:30 p.m. "Memorandum" and "Night and Fog" detail the horrors and psychological trauma of the Holocaust and Hitler's "final solution." The common theme is that both those directly involved in Jewish deaths as well as those who failed to prevent the Holocaust share similar guilt.

Then on November 8 Dr. Helen Fagin will lecture on "The Moral Experience of the Holocaust." Dr. Fagin, a native of Poland, is a Holocaust survivor and scholar. Her lecture will recount her experiences in concentration camp and Polish ghettoes as well as her torment as a survivor. Dr. Fagin is presently Acting Director of Judaic Studies at the University of Miami.

The congregation and community are invited to attend both programs.

THRIFT SHOP

The Thrift Shop is your place to re-cycle good, used clothing. With the change of seasons, there has been a heavy demand for fall and winter clothing. Right now we have a shortage in infant's and younger children's clothing. Your contributions of clothing are always appreciated. And you are invited to come by for your clothing needs.

The Thrift Shop is open on the first and third Saturday mornings from 10:30 until noon. It is a project of the Community Service Committee.

ELON COLLEGE FUN CLUB

The next meeting of the Elon College Fun Club will be on Tuesday, October 17, at 10 o'clock in the Church Library. Some Fun Club members who recently participated in a Heritage Tour to Pennsylvania, Ohio, and Kentucky will report s o m e of the things they "seed and heerd" during the seven days they were away. You might be surprised. We suggest you bring a pinch of salt to sprinkle on some of the things they tell! Refreshments will be served.

COLLEGE-AGE THROUGH TWENTIES

This class has been meeting now for two Sundays (at 9:45, during the Church School Hour). So far we have had 6-8 students in attendance. We know there are others of our membership who could be coming. And we are still looking for the many couples in their twenties.

SENIOR HIGH YOUTH

Last Saturday night the Senior High Youth Group held a very successful Lock-In in the Parish House. It was an opportunity to spend some time getting to know everyone better and share a part of ourselves. Our next meeting is Sunday night at 7:30.

We are planning a Family Movie Night at church for some time after Christmas. If any of the congregation have any suggestions of movies they would like to see, please give me a call at 584-0391 or 449-7856.

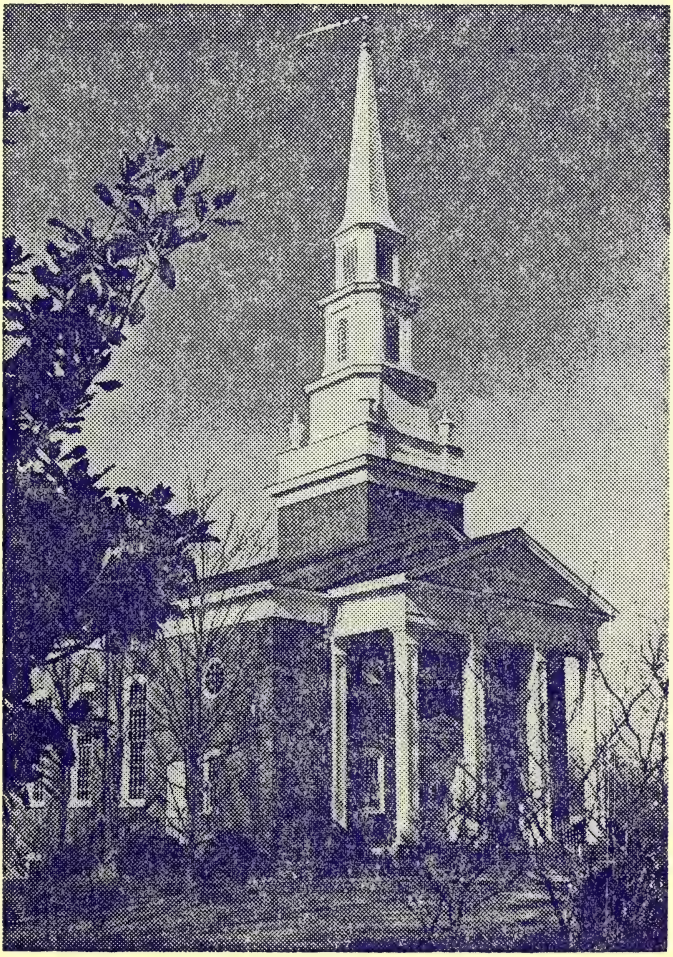
THE TORCH



Published semi-monthly during the weeks prior to the first and third Sundays

AN EXTRA ISSUE

With the exception of several brief articles, this "EXTRA" edition of "The Torch" is devoted to the plans and progress of the project to secure a new organ for the Elon College Community Church. It is an ambitious project but a project which we began with considerable optimism. Already it is obvious that that optimism and confidence were well-placed. Please read on for glimpses of your progress to date, the November - December opportunities for progress, and the distant but visible culmination of this project.

THE STEPS WE HAVE TAKEN

We have been actively involved in the organ project for two years. The Music Committee began in 1977 with an evaluation of our present organ which was presented to the Board of Deacons. The Board appointed an Organ Committee to report back to the Board on its recommendations for a new instrument. The Music Committee spent approximately five months during last year visiting churches to evaluate different instruments. They made their recommendations to the Organ Committee in Feb. 1978. The Organ Committee considered these recommendations and gave its report to the Board of Deacons in March, 1978. On March 19, 1978, a Congregational Meeting was held and all of these reports and recommendations were considered.
The Congregation approved three motions.

1. To purchase a Casavant organ at a price of $65,100
2. To renovate the ceiling for better acoustics as recommended by every organ company consulted
3. To initiate a financial campaign for securing funds.

In April of 1978 a financial campaign was initiated with each member of our congregation asked to pledge for a 3-yr. period toward the purchase of this new instrument. The results of this campaign will make the purchase of a new instrument a reality.

NEW ARRIVALS

Congratulations to Mr. and Mrs. Robin Woody upon the birth of nily Katherine Woody on September 27 and to Dr. and Mrs. Steve ddell upon the birth of Matthew Randall Caddell on October 13.

FINANCIAL STATEMENTS

Your financial statements of July - September contributions are vailable now in the narthex. Will you secure yours by October 29? f so, you will save us the cost of mailing 175 statements at fifteen nts each. That's $26.25 we can spend in better ways.

ELECTION DAY

November 7 is election day. We hope you will exercise your right nd privilege to vote. We even have two candidates, both members of his congregation, for whom we solicit your votes:

Dr. J. Earl Danieley for County Commissioner
Judge D. Marsh McLelland for Judge of the Superior Court

Reminder: Church School is at 9:45 and Church Worship at 11:00, both at Eastern Standard Time, effective October 29, 1978. Don't forget to set your clocks back one hour.

WORLD COMMUNITY DAY

"Touchstones to Discipleship" is the theme of World Community Day, onsored by the Burlington Church Women United. The program will be ld on Friday, November 3, at Ebenezer United Church of Christ, 4 Apple Street, Burlington. Usually several car-loads of our members tend this annual celebration. You all are invited.

The pledges and anticipated bazaar income that we project total approximately $66,324. We are within $5000 of our goal! As 1978 is the first year of this pledge period, let us bring you up to date on what we have done financially.

January 1, 1978 Balance			$3572.97
Receipts:	Contributions	9997.35	
	Interest	287.46	
		10,284.81	
Total			13,857.78
Disbursements:		4646.13	
Balance on Hand, Oct. 21, 1978			$9211.65

Acc't Receivable
Ceiling Renovation when completed: $4000

Pledges Outstanding for 1978 $5000

The pledges outstanding for this year need some consideration. The Board of Deacons has stated that we will sign a contract hopefully by the end of this year if funds are available. In that we have only paid one-half of the renovation costs of the ceiling, we still have approximately $4000 in outstanding debt. This will leave approximately $5000 in the organ fund. We must have a 15% down payment when we sign a contract, or $9765. Now it becomes evident that we must have our remaining pledges to meet this payment. The payment schedule on the instrument is as follows:

15% Upon signing

30% When construction begins at factory
(approximately 12 months after signing)

30% When construction is completed
(approximately 6-8 months later)

25% When instrument is installed and accepted
(approximately 3 months later)

As can be seen from the payment schedule our first payment is the smallest, hence, the income we make from the bazaar needs to go to the payment in 1979. Therefore, we do need our pledges to be able to sign a contract for this year. The Casavant Organ Company has given us a firm price of $65,100 through the remainder of this year. We cannot expect this price to remain the same after the first of next year. It is the same situation we faced when we were considering our educational facility. Inflation made a time delay unwise.

DECEMBER PLANS

We have seen where we have been and where we are now, let's look ahead to December and see where we are going. December 2 is the day of the Bazaar. Many of our members have been working all fall to make this bazaar a huge success. A group of our women have been meeting every Thursday at the church making crafts for the bazaar. Another group has met every Sunday afternoon in the Parish House painting ceramic ornaments. We have now finished over 200 tree ornaments.

Last year we made over $3000 from our Bazaar. We really hope to do considerably better this year. It ultimately depends on each one of us. We need your interest, your enthusiasm, your efforts and your time. You may give craft items to the bazaar or baked goods. The Bake Sale is really being stressed this year. We sold every item last year within 2 hours. We would like to double the amount of baked goods from last year. Every item in the baked goods that is sold is all profit to the church and we saw from last year that we can sell everything we have. Please respond by doing more than you did for our last bazaar.

Whether you believe it or not, working on the Bazaar is fun. Rumor has been spread that the Parish House is filled with laughter every week as our people work. We offer each of you the opportunity to participate in this endeavor. The rewards are good fellowship, working with other members of our church, and bringing the purchase of our new organ closer to its realization.

THE TORCH

PLEDGES BEING RECEIVED

You have read in the letter which accompanies this issue of "The Torch" that we are now into our annual pledging campaign. It is always a critical time. Fortunately, most of our members do pledge and do contribute at least what they pledge.

You probably have noticied that we do not talk money every Sunday. We sponsor very, very few money-making projects. Commercial products normally are not sold in this church and we do not bombard worshipers with appeals for special funds. We are not in competition with any merchant and do not wish to be.

Therefore, when we enter our annual pledging campaign, we do so without apology. We have ministries at home and abroad to support. We have bills from utilities and other purchases and we pay our bills promptly. We have mortgage commitments and we make a payment on the first of every month. We employ one full-time person and several part-time; we try to be a fair and dependable employer. We try to be a good neighbor in this community. We treat with care the reputation and property given to us without debt by earlier generations.

This congregation has only one source of money - that is the voluntary contributions of its members and visitors. That's why the Finance Committee addresses their important letter to you. We need you. We need your participation. We need your assistance.

Now you have your pledge card. It and all our future ministries are in your hands.

BOYS' CHOIR

The Burlington Boys' Choir, under the direction of Eva Wiseman, will sing for our Service of Worship on November 12. This choir is held in international repute and we feel fortunate to have secured them. Their coming provides an added incentive for your attendance. We are also pleased that one of our own, Jonathan Blake, is a member.

Dear Fellow Member
Elon College Community Church,

Again this year we will conduct an Every Member Commitment Program pointing toward the underwriting of our church budget on or before 19 November 1978. We are attempting to reach every member of our congregation with the basic information to permit each one to make his own decision in regard to a commitment. For the past year our staff and various lay members have worked to contain the effects of inflation and continue to carry on the programs of the church that mean so much to our members and to this community. The time has now come to act and we hope that all will respond with at least an 8% increase over last year's pledging as a minimum. If the present 9 to 10 per cent inflation rate continues it is obvious that we will need more to just stay even.

Pledges are requested for the Current, Benevolent and Building Funds. Pledges will be accepted for the organ project and any other program but our primary concern is with these named catagories. We will not, it now appears, meet our 1978 budget. If present giving levels continue we cannot be very optimistic about reaching the same total level in 1979.

There is a critical need to increase each pledge; a modest increase in our weekly contributions will enable us to both maintain our current programs and to develop new areas of service. A shift of donations from one area of giving to another will not solve our problem - we frankly need more money.

The budget for the forthcoming year will be based on actual pledges received plus anticipated income in order to give a more realistic portrayal of our church programs. We will be most happy to include any new programs that the membership is willing to support and welcome any suggestion and additional contributions to this end.

One large and unusual expense in 1978 was the painting of the interior and exterior of the church building. This we were able to accomplish without a special appeal for funds. However, we have now exhausted our reserve fund. We need to re-establish a reserve fund, equal to at least one month's operating expense, for emergency use.

It is requested that the attached pledge cards be completed and returned to the church office or during regular Sunday services prior to 13 November. During the week of November 12-19, a personal contact will be made with those members whose cards have not been received. If there is any question or comment relating to pledges or goals of this annual solicitation, the members of the Finance Committee are available at any time.

Cordially,

Lawrence E. Fogleman, Chm. of the Finance Committee,
which also includes Dariel Burchfield, Nina Matlock,
Dr. J. E. Danieley, T. L. Smith, Dr. Fred Young,
John Gerlach, Dewey Holt, and Gladys Hughes

OUR YOUTH CHOIR

Please note that our Children's Choir will begin a new rehearsal time, effective November 5. We have found that too many of the young folks cannot attend a mid-week rehearsal. Therefore, starting Sunday, they will meet in the Choral Center from 9:30-10:00. At 10:00, they will join other children in the church school classes. We are hoping this change will serve the convenience of our families.

BAZAAR UPDATE

As of today we have eighteen more days before our Bazaar on December 2. During these next two and one-half weeks, there are many things to be done. We need every member of our congregation actively involved in this project.

Since early September a group of our women has been meeting every Thursday to work on Craft items for the Bazaar. Their many hours of hard work have produced some lovely things. We know that many of you have been working at home on items for the Bazaar. For all of these hours of labor we are very grateful. The effort that has already been exhibited is overwhelming and we expect to see the pace quicken as we draw closer to the Bazaar.

CRAFTS

On November 27, we would like to have all finished Crafts brought to the Parish House so they can be priced and displayed. Mary Alice Bragg and Peggy Lackey will be at the Parish House each morning from 9-12 to receive articles.

BAKED GOODS

The baked goods should be brought to the Parish House be 8:45 on the day of the Bazaar. Be sure to wrap each item and identify it. It is most important that people know what they are buying. Please label all baked goods. Again, it should be stressed, that we hope to double the amount of baked goods over last year. Please make the effort to do more than you did last year. We can sell everything we bake!

WREATHS

Many of you remember that last year some of our members made live boxwood wreaths for the Bazaar. These wreaths are outdoor decorations made with water-proof bows and freshly-cut boxwood cuttings. The wreaths that our members order will be made the week after the bazaar.

The Bazaar this year will feature many hand-painted ceramic Christmas ornaments. These items have been made possible since a ceramics class was begun in September. A member of our church, Sar Dodson, purchased a kiln and installed it in the Parish House. She been teaching a course in ceramics every Monday night. Approximate 25 people from our church and the community have made nearly 300 ar in this class. In addition, Sara has supervised a group of our wom in making over 200 ornaments for the Bazaar. We are grateful for a of the time and effort that have gone into this project.

THANKSGIVING SERVICE

You remember that a couple of months ago you were asked to indicate your preference concerning if and when to hold a Thanksgiving Service. The responses were quite negligible and evenly divided. You are invited to attend the Thanksgiving Service at 10 a.m. at the Episcopal Church of the Holy Comforter.

BAZAAR - DEC. 2

With only four days left until the bazaar our congregation is gearing up for the big event. It seems appropriate to quote an unknown source on some observations concerning this activity:

Six Phases of a Project

I. Enthusiasm
II. Disillusionment
III. Panic
IV. Search for the Guilty
V. Punishment of the Innocent
VI. Praise and Honors for the Nonparticipants

Obviously, the author had a sense of humor and was chairman of a Bazaar at one time! We thought you might like to know, however, that we just moved from stage IV to stage V.

On a more serious note, a lot of hard work has gone into our fund-raising attempts, and we should all look forward to an enjoyable day on Saturday. Please get your crafts to the Parish House by Friday and baked goods by 8:45 a.m. on Saturday. If you have your baked goods ready on Friday night there will be someone at the Parish House until 9:00 on Friday night and you may bring them by. HAPPY BAKING!

The Board of Deacons is still collecting large items to be sold at the bazaar. Furniture items like chairs and tables are in demand. The donor may set a minimum price at which items may be sold. If you can help with this aspect of the bazaar, please call Dr. Danieley right away.

So the Bazaar is nearly upon us. We hope to see you and others you invite this Saturday, December 2. The doors open at 9:00.

DEACONS

The Board of Deacons will meet Sunday evening, December 3, at 7:00 p.m. Please note the time change.

LENT: From the Anglo-Saxon, Lencten, meaning spring. A fast before Easter in memory of the forty hours from Good Friday until Easter morning is of great antiquity. Lent with its forty days of fasting also reminds us of the forty days fasting during his Temptations (Mark 1: 12-14). A fast in memory of the forty hours is mentioned before A.D. 220. The Lenten Season differed in length from one day to three weeks or more in very early times but by the time of the Council of Nicaea, A.D. 325, it was established as six weeks. The present arrangement of Ash Wednesday, forty-six days before Easter, and of the Sundays being "in but not of" Lent was established by Gregory the Great about A.D.596.

The Lenten Season begins with Ash Wednesday and proceeds until Easter Eve. During this season the Church is concerned with our Lord's ministry to the time of his death.

BOARD APPROVES ORGAN CONTRACT

Since early 1977 the matter of securing a new organ has been on he agenda of the Board of Deacons, receiving attention almost every onth. Then on March 19, 1978 the congregation voted to secure a con- ract and to hold a major finance campaign for organ pledges and contri- utions. The result was a marked success, with pledges and other antic- pated income of $69,324. The other income includes receipts from azaars, other projects, and memorial giving.

The total cost of the project is expected to be about $77,000 which ncludes the new instrument, ceiling modification, and installation.

Interest and financial support for this project has been marvelous. t is hoped that this support will continue and even increase so that ll costs will be met by completion of the installation.

The Board of Deacons therefore voted on February 25 to instruct he Trustees to sign a contract to purchase a Casavant Organ at a cost f $65,100. The first installment of $9,765 will be due upon signing; he second installment of $19,530 will be due December 1. The third nstallment of $19,530 will be due when construction is completed at he factory, in the spring of 1980; and the final installment of $16,275. ill be due upon installation and acceptance, probably in late summer, 980.

Your contributions remain vital for us to meet each of these nstallments upon due date. Other pledges may be made by contacting he Organ Fund Treasurer, Leslie Johnston, or the office secretary.

It now appears certain that we shall meet our goal of presenting ach other a birthday present of a new Casavant Pipe Organ for our 0th birthday as a Congregation in 1981.

FAMILY NIGHT - MARCH 19

The Women's Fellowship is inviting the whole congregation to join in on their March Quarterly Meeting. The date has been changed from March 12 to March 19. This meeting will be a family night covered dish supper, to be held in the Parish House at 6:30 p.m.

We are pleased to announce that Dr. Creighton Lacy has been secured as a speaker Dr. Lacy has previously served as a missionary to China, has travelled extensively in India, Japan, Africa, and Southeast Asia. He is currently on the faculty of Duke Divinity School in Durham.

ONE GREAT HOUR OF SHARING

Last year our Conference gave $38,250. to the One Great Hour of Sharing, an increase of $3,857 over the previous year. Our congregation gave $760.94 of that amount. The UCC as a whole received more than $1.5 million for this special offering.

These funds support our response to disaster anywhere in the world, our participation in the resettlement of refugees in the United States. and a wide variety of agricultural and community development projects in more than 70 countries.

Last year , for instance, we were able to respond-because of your gifts to OGHS-to cyclone and flood damage in India, to hurricane destruction in Belize, to privation due to floods, droughts, earthquakes, and wars-all around the world. With the help of funds from OGHS, United Church of Christ congregations continue to help resettle refugees from many places, but especially from Southeast Asia. And, again, all around the world, we are helping poverty-striken families to develop skills and the ability to feed themselves and to improve their lot.All this, because we recognize ourselves to be part of God's one worldwide family carrying a special concern-because of our commitment to Christ-for the last and the lost.

This special offering will be received on March 25. Offering envelopes will be provided in the next issue of "The Torch".

FAMILY NIGHT - MARCH 19

Our Family Night for March is planned by the Women's Fellowship. Please note that it is on a Monday night - March 19. The covered dish supper will begin at 6:30 p.m. Following the meal, the children will be invited to view a film. For the others, the Fellowship have secured Dr. Creighton Lacy of Duke Divinity School as guest speaker. Dr. Lacy is a former missionary to China.

The Family Night is for all the families of the congregation. You'll be glad you came.

WOMEN'S FELLOWSHIP

The executive board of the Women's Fellowship will meet Sunday, March 18, at four o'clock in the library. All officers, department chairmen, and circle leaders are invited to attend.

The Women's Fellowship as a whole will hold a brief business meeting at the conclusion of the March 19 Family Night.

HAL RESIGNS

We are saddened to report that our church custodian, Mr. Hal Russell, has tendered his resignation effective March 15. This decision is prompted by considerations of health and advancing years. To our knowledge, no one ever has had an unkind word to say about Hal. He has worked dependably and efficiantly at all times. We shall miss him.

Should there be persons in our fellowship who care to apply for this job, we shall gladly hear from you. The work analysis has generally included the care of the church property, inside and outside. Some of the work is preventive maintenance. The normal work-time has been 18 hours per week.

In the meantime, let's all help.

ONE GREAT HOUR OF SHARING

Would you like to provide $104. worth of food for hungry persons in war-torn areas of Eastern Africa or $168. worth of medical supplies to be used in village clinics all over the world?

You can with a $10. contribution to OGHS!

Would you like to provide the essential houseware equipment to set up housekeeping for a family displaced by the war in Lebanon?

You can with a $12.50 contribution to OGHS!

Would you like to buy a sewing machine with which a woman in an urban resettlement project in the Philippines can learn a trade and help to support her family?

You can with a $75. contribution to OGHS!

The illustrations are many but the point is one: you contributions enable churches around the world to do these and other services in your name. Last year our congregation provided $760.94, enough to provide $7800. worth of food, for example.

Envelopes are enclosed for your contributions. Please be generous again.

W.A.H.S. BAND GOES TO MARDI GRAS

Mardi Gras was cool and calm! Besides marching in a shower of rain and beads, seeing the Jazz play the Blues and eating all the time, the band members (and escorts) had triple heart beats when meeting "The Fonz". Our church was well-represented by students and parents. Those we know to have travelled with the band are Luci Atkinson, Sharon Rinker, Billy Blanchard, Gray Lackey, Stacey Dean, Beth Barbee, Lee Ann Blanchard, Mr. and Mrs. Bill Blanchard, Mr. and Mrs. Keith Dean, and Mr. and Mrs. Mack Lackey.

SENIOR HI YOUTH

The Senior High Youth Group would like to thank the Congregation for their support of our Family Movie Night. THANK YOU! We will be sponsoring a car wash in the church parking lot March 24th or if it rains March 31st. Your support would be greatly appreciated. $2.00 a vehicle.

THE TORCH

Published semi-monthly
during the weeks prior to
the first and third Sundays.

MAUNDY THURSDAY

The name Maundy Thursday comes from the Latin word mandatum, which means "command." It refers to Jesus' words at the Last Supper, "A new commandment I give you, that you love one another." On this occasion we remember the origin of the Sacrament of Holy Communion.

You are encouraged to participate with us in this pre-Easter Servi of Communion. Our Service begins at 7:30. The meditation of the evening will be given by Dr. Clyde Fields.

EASTER BREAKFAST

For several years now many of our people have looked forward to, and enjoyed, the annual Easter breakfast. This time it seems that reservations have been slow in coming. We will nonetheless plan for at least the usual group, and a few more. The breakfast begins at 8:3 we hope you will join us. An opportunity will be given for a donation but there is no specified cost.

NEW MEMBERS TO BE RECEIVED

These paragraphs are addressed to our non-member friends. We hav been pleased to have you visit with us from time to time. By now you know something of the ministries we perform together. You certainly know we are not all we strive to become. You know that worship, growt in the Faith, mission, and community life are all significant aspects our congregational emphases. Perhaps yo have felt the mutual bond of friendship and trust between and among th members.

Yet there is no exclusiveness. We invite, yea urge, you to join as members of the Elon College Community Church. While members may be received at any time, we are setting June 17 as a Membership Sunday. hope you will officially join us on that Sunday morning. With your pe mission, Letters of Transfer will be requested for you. Or you may be received by re-profession of faith or profession of faith and baptism.

A FINE DAY

Every day is a good day but April 29 was a fine day! We called it "Clergy Recognition Day", in appreciation of all former pastors, the clergy families of our congregation, and the wives of deceased clergy members of our congregation. During the church school session, Mary Graham Mackintosh gave personal glimpses of each of our former, and present, pastors. Her stories were enhanced by photographs of each of the former pastors.

The Morning Service of Worship included the leadership of five of our clergy members, a sermon by Dr. Lightbourne on professional and lay ministry, and celebration of the Sacrament of Holy Communion at the alt

The Family Night in the evening was a demonstration of the culina talents of our ladies (and perhaps some of our men). It was indeed a banquet. Moderator Danieley them introduced Mrs. Robert Blake who presented a long-stemmed rose to each of the clergy wives. Dr. Danieley recognized the clergy members and presented to each a Certificate of Appreciation noting the number of years of service in the Christian ministry.

Finally, Dr. Alfred W. Hurst was installed as Pastor Emeritus of the congregation. Dr. Danieley noted the appreciation and love for Rut and Alfred since they first came to us as our parsonage family exactly 50 years ago.

It was a fine day for all of us. Thanks to all who shared and participated in it. And thanks to those members of the Worship Committee who planned, prepared, and performed most of the work. They are Chairm Sandra Dill, Jane Alexander, Kenneth Clem, Ruth Dunn, Nora Griswold, Vickie Price, Carole Blake, and Viola Dean.

THE ELON COLLEGE COMMUNITY CHURCH

is pleased to

Recognize and Honor

Dr. ALFRED W. HURST

as

PASTOR EMERITUS

April 29, 1979

The year 1979 marks the Fiftieth Anniversary of the year Alfred W. Hur became Pastor of the Elon College Community Church. On recommendation of the Worship Committee of the church, the Board of Deacons has elect Dr. Hurst to the position of Pastor Emeritus, and on the evening of Clergy Recognition Day the Deacons installed the former pastor with th above citation. Dr. Hurst responded briefly with words of appreciatio and has now responded to our request for a statement of his feelings regarding the action taken by the church in electing him to this posit

Dear Fellow Members: Last Sunday was reminiscent of the year 1929 when at the age of 27, I was installed as Pastor of the Elon College Commun Church. Mr. J. C. McAdams, Chairman of the Board of Deacons, welcomed me on behalf of the church and extended the Hand of Fellowship.

When I was asked recently whether I would accept the title of Past Emeritus I was dumbfounded. Normally a minister is elected to this pos tion after years of long service to a particular church, and since I h served this church only three years, I felt I did not merit the recogn tion. At the same time, Ruth and I were filled with immodest pride tha you should consider us worthy of this honor.

The years 1929 to 1932 were rich with meaning in our lives. We occ pied the parsonage which stood where the church building now stands. H our two sons were born. It was our privilege to know and count as dear friends some of the devoted Christian people who were founders of the church and college, and whose names are deeply engraven into the life a history of this Christian community. The relationship of pastor and peo

seemed to be mutually gratifying, and we hoped for many more years of ministry together. This might have occurred had it not been for the economic depression which threatened to wreck the college and church which were bound so closely together. I voluntarily resigned with no other pastorate in immediate prospect, and supported a plan to ask the newly installed president of the college, Dr. Leon Edgar Smith, to assume the dual role of pastor and college administrator. For fourteen years Dr. Smith carried this yoked responsibility. The forty-five years that followed 1932 took us to Portsmouth, Va. for a brief interim, then to the Pilgrim Congregational Church in Chattanooga, Tenn. (11 years), Cleveland Park Congregational Church, Washington, D. C. (14 years) Central Union Windward Church, Kailua, Hawaii (3 years); and Olivet United Church of Christ, Livingston, N. J. (7 years).

It was a source of joy to us when we were invited to return to Elon College in 1968 as campus minister and assistant professor of religion in which position I served until a rule of the college made retirement necessary at the age of seventy two. Ruth and I are happy to retire in this community which has meant so much to us.

It is reported that when Thomas Jefferson retired from political life "to the humble station of a private citizen," he expressed the hope he might be "accompanied with the esteem and approbation of my fellow citizens." I dare believe it is with love, if not always the approbation, of my fellow church members that you have honored me with the title of Pastor Emeritus. There is an old saying, "Gather the rose of love while yet is time." It is with modest pride that I accept this honor. I am grateful, and trust you will never have occasion to regret your action. Ruth, who has been my companion and associate through these years, joins wholeheartedly in this expression of gratitude and love.

Most sincerely,

Alfred W. Hurst

The Senior Hi Youth Retreat last weekend at the Blowing Rock Assembly Grounds was one that helped us to look at our faith in an atmosphere

WOMEN'S QUARTERLY MEETING

The Women's Fellowship Quarterly Meeting will be held June 11 in the Updyke Choral Center. The Rev. Jerry Moore will present the program on "Learning to Cope in a Crisis." Hostesses are Mrs. L. E. Fogleman, Sr., Mrs. W. W. Snyder, Mrs. Lewis Wells, Miss Bertha Cotton, Mrs. Irma Seamster, Mrs.A. M. Primm, and Mrs. Dewey Holt. All the Women of the church are urged to attend.

SUMMER SCHEDULE

In our democratic style, considerable discussion has been held the past several months on our summer schedule. Some of the questions have been:

Should we discontinue Church School for July-August?

Should we move our Service to an earlier time?

It would be impossible to relate the total discussions but let me try to tell you where we are and the conclusions reached.

CHURCH SCHOOL: the preliminary decision was to discontinue for July-Aug. taking into account the less-regular attendance of some families and the resultant discouragement of some teachers. However, when the conclusion was announced, a compromise was suggested. We therefore will proceed according to the compromise, namely:

K-grade 5 will meet as a class, and to be taught by a new core of volunteers.

Grades 6-12 will meet with the Seekers' Class.

Adult Bible Class will meet as usual.

CHURCH WORSHIP: While some would prefer an earlier Service time, more have indicated a preference for the usual 11:00 hour. A change in times also poses problems for those who visit here. We therefore plan to continue the present 11:00 Service.

It is our goal, further, that others of our members will begin to attend a church school class and that all of us will be more conscienteous in our attendance patterns.

BUILDING NAMED TO HONOR CAROLINE POWELL

President J. Fred Young has recently announced that the College Classroom - Office Building is to be named the "Caroline E. Powell Building". Included in this lovely facility are the offices of the president, vice-presidents, development, admissions, registrar, 15 faculty offices, 12 classrooms and laboratories, and the computer center. The distinct honor given Miss Powell is in appreciation for contributions given by her nephews, Dr. T. Edward Powell, III, Mr. John S. Powell, Dr. James B. Powell, and Mr. Samuel C. Powell.

We as a congregation are also honored since "Miss Caroline" is one of our own. She is a long-time member of the congregation, has served on several committees of the church, and is one of our ordained deacons.

In her honor also, the Elon College Board of Trustees is holding a reception in the Caroline E. Powell Building on June 21 from 7:30-9:00 p.m.

The Board has extended an invitation for our members to attend the reception and to join in celebrating in honor of Miss Caroline Powell.

THE ORGAN PROJECT MARCHES ON!

We're blowing our pipes again and, as usual, need your help. Our fundraising activities for 1979 are going to be somewhat different from the two-prior years.

Our first project is going to be a cookbook which will include recipes of our members, their families, friends, etc. The Music Committee will coordinate this effort and it plans to have the cookbook ready for you inspection and purchase on October 28 at our Fall Family Night Supper.

What we need from our members: unusual, delicious-sounding recipes! Our church has a long tradition of excellent cooks and we would like to preserve this tradition in our own volume of recipes.

We need to have all of the recipes collected by August 1, so start getting your information to us. There will be special boxes at the church in the church office, the choir room, and the narthex. You may leave your recipes in these boxes.

Below is the general format that we are suggesting you follow:

PASTOR'S PLANS CHANGE

Dr. Hamilton had every intention of attending the Twelfth General Syn in Indianapolis this past week. The Board of Deacons had approved hi attendance as an elected delegate of the Southern Conference. Persona considerations caused a change in plans so that he was able instead t conduct our Service of Worship on June 24. Dr. Danieley graciously agreed to lead our Service on July 15 instead of June 24, as he was earlier asked to do. Our Pastor and family are planning to use a week of vacation time from July 12-19.

RECIPES WANTED

We said last month that the Music Committee is in process of collecti recipes for our own Cook Book. Please refer to the June 13 issue of "The Torch" for details. Recipes should be submitted by August 1 and placed in the boxes in the narthex, Choral Center, or Church Office.

We hope lots of our folk will co for this mid-summer fellowship time. Come for as much of the evenin as you can. Here is a sketch of the activities. Please note slight changes from the schedule previously announced.

5:00 AT COLLEGE FIELD
This will be a slow-pitch, everybody-hit, some-run, soft softball game, especially intended and designed for men and women, boys and girls, who play infrequently.

6:00 AT PARISH HOUSE
Please bring your favorite dessert and beverage to share. This part of the program everyone can do -- EAT. However, if you care to eat Sunday evening supper, do so before coming. All we plan to have here is the dessert or beverage you bring.

Now you know what is planned by some of for all of us. Does the evening sound like fun? Is it the kind of wholesome activity and entertainment you like? If you answered yes to either or both questic above, THEN:

YOUTH: why not take your parents and/or grandparents our for an evening?

ADULTS: why not take your children and/or grandchildren out for an evening?

FAMILY NIGHT - JULY 22

CHURCH SCHOOL

As some of you know, there has been an adjustment to our levels of Church School for July and August. So far, the arrangement has worked most satisfactorily. The point we need to make is that there is still a class for every age.

The Nursery is attended as usual:
Grades 1-8 are meeting together;
Grades 9-12 meet with the Seekers' Class;
The Adult Bible Class meets as usual.

Oh, yes, should we mention also that our Services of Worship continue throughout the year, including summer? Sunday Morning At 11:00.

PASTOR'S VACATION

Pastor and Mrs. Hamilton plan to be out of town, using a week of vacation time, from July 12 to July 19. A long-planned visit with Jim, Jewell, and John MacDonald in Portland, Oregon is the destination. For any needed pastoral services, please feel free to call our Moderator, Dr. Danieley, or any of our Deacons. Since our new secretary will not begin until August 1, there likely will be no one in the office.

Dr. Danieley will also serve as our Guest Minister on July 15. His sermon for this occasion is titled "A 'No Complaint' Faith". Our thanks go to him for his willingness to serve in this and other ways.

PULPIT EXCHANGE: JULY 22

We are pleased to announce that our Pastor and Rev. Carol Bernard-Snyder will exchange pulpits on July 22. Carol is pastor of nearby Berea UCC and is married to Rev. Todd Snyder who is the pastor of First Congregational Christian (UCC) in High Point. Carol is one of our outstanding pastors. She serves on several of our Conference committees and was a delegate to the recent General Synod. We gladly welcome her to our pulpit.

CHURCH SCHOOL

Our summer variation on Church School seems to be working fairly well. Younger children are meeting as a single class while the high school students are a part of the Seekers' Class. On August 26 we will resume our usual schedule, welcoming the return of teachers for each couple grade levels.

PICTURE DISPLAY

While you are admiring the newly re-shined floor in the narthex we hope also you will take a moment to see the collection of picture from our Clergy Recognition Day. What a fine day it was. Indidenta the clergy families may pick up a free picture or two from the table near the church office, courtesy of Dr. Paul Cheek, photographer.

THERMOSTATS

We tried it last Sunday at some little discomfort but without a single complaint. We set the thermostat on 78. Our plans for the next several weeks are to keep it at 78. We are therefore inviting you to dress accordingly. It is not inappropriate to hang jackets or coats on the coat=rack in the summer as well as the winter. Your spirit of cooperation is appreciated.

WORDS FROM JILL

For starters, I would like to say a big "THANK YOU" for the warm welcome I received Sunday. I enjoyed meeting many of you, but I'm afraid I will have to ask you to be patient with me as I try to learn all of your names. I feel very much at home here and I hope soon to know all of your names as well as I know my own family's.

I am very excited about the upcoming months with the young peopl Sunday night eight outstanding teen-agers attended the first youth meeting at the church. Their enthusiasm and energy, of which I can foresee no shortage in the future, reassured me that we will have nothing less than a great group. We discussed several items concerni program ideas, recreational ideas, special projects, and recruiting other eligible members. It was even suggested that we move our meeting across the street to Hardee's, since three of our members wer working there at the time. We also enjoyed brownies which were baked by Beth and Stacy and Mrs. Price made sure we had cold drinks. Thank girls!

We had a fun time sharing together and we hope many more youth will join us next Sunday at 7:00 in the Youth Room. We also would like all 9th - 12th graders to mark their calendars and come to play "Putt-Putt" with us Sunday, September 23. Thank you,

Jill

FAMILY NIGHT

Family Night, sponsored by the Christian Education Committee, will be held September 30 at 6:00 p.m. This occasion will introduce informally Ms. Jill Bennett, our new Christian Education Intern. You are asked to bring a favorite covered dish. Beverage and table service will be provided by the committee.

WELCOME

Welcome, Elon students and faculty. We are pleased to have you share in the worship, education, fellowship, and mission of this congregation.

GENESIS AND NUMBERS - OR

HOW TO BUILD AND PAY FOR AN ORGAN!

In the small town of St. Hyacinthe, Canada, a most interesting event is occurring. It affects all of our membership in one way or another. For in a frame factory on the outskirts of this village, a work of art is being created, a pipe organ designed especially for us. The scene is vivid-- a brightly lit, airy room full of blueprints, drawing boards-- busy with a steady stream of traffic. The language is French one minute, English the next, depending on the individual. On one of these drawing boards, a set of plans is being considered. These plans belong to the Elon College Community Church. Working with the engineer is a German voicer, perhaps the most important person in the entire building process. It is his responsibility to make certain that each fundamental sound is exactly right for our sanctuary.

Once the basic decisions of engineering and voicing are completed, the instrument goes into production. It is a long and tedious process. Each pipe is hand-tooled and passed through many processes before completion. Next spring, the entire instrument will be assembled at the factory in a large auditorium and the final voicing will take place. It will then be taken apart--pipe by pipe--and packed for its journey to Elon College.

We aren't certain the exact dates of these events, but what an exciting winter we have ahead of us! We also have some work to do in order to make these plans reach the final stages. Our cookbook is now in the printing stage and will be available the first of November. You may place orders for them, or simply buy copies when completed. Next on our calendar is the Bazaar on December 1. This year our affair will be somewhat different from our two previous events. We will feature our baked goods section, the live wreaths for door decorations and ceramic Christmas decorations. We'll have more information on these events as they draw nearer.

Our last consideration, and possibly the most important one, is our own personal commitment to the organ project. We are approaching the final quarter of our first full year of pledging to the Organ Fund. In reviewing the financial situation, it has been a good year, but we still have approximately $ 4,800 outstanding in pledges. In order to stay abreast of our financial responsibility, we encourage each of you to review your own pledge commitment.

(Mary Alice Bragg)

THESE PROJECTS NEED YOU

Bike-A-Thon The Bike-a-thon will be held September 29, beginning at 8:00 a.m. and continuing until dusk. A one-mile course has been established, beginning near the college track. You are asked to ride a number of miles and to seek sponsors at a given rate per mile. All proceeds will go to the St. Jude Children's Research Hospital in Memphis. Dr. and Mrs. Robert Blake are community chairpersons. Sponsor forms and other information are available from them or in the church office.

Hunger Walk The hunger walk will be held on October 7 to benefit CROP, the Hunger Appeal of Church World Service. Participants will gather at 2:00 p.m. at the Williams Football Stadium. The walk will cover ten miles and will include several check points and rest stops. Again, you are urged to secure sponsors at a given amount for each mile. Further information is available through the church office.

NEW MEMBERS

Several persons who are interested in church membership met with the Pastor last Sunday. The door is open for others. You are invited to join us the next two Sundays at 9:45. New members will be received on September 30.

ELON COLLEGE FUN CLUB

Summer time usually finds Americans wandering east and west, north and south, some long distances and others short. This summer perhaps more of us kept within a closer range, which may have been all to the good. Sometimes we pine for distant scenes, when richer and more colorful things are at our elbow.

Whether we took short trips near by, or traveled to distant places, let us get together and share it at the first Fall get-together of the Elon College Fun Club on Tuesday, September 18 at 10:00 a.m. in the Church Library. Refreshments will be served. Everyone is welcome -- church members and other friends.

CERAMICS CLASS

The ceramics class for novices will begin on September 25. The classes will continue on succeeding Tuesday evenings from 7:00 to 9:30 in the Parish House. Call Sara Dodson at 227-8418 if you are interested in participating with this class.

PARKING

We all know there are problems in finding nearby parking spaces when coming to the church. We are attempting to provide a community service by allowing others to use our own parking lot in the daytime when no meetings are scheduled. The adjacent fraternities have been notified that cars may be towed at owner's expense any evening and w be towed every Sunday morning. All of us should know that the one space designated "Handicap" is for that purpose only. Only cars with a handicap authorization may use this space; others are towed.

You will be pleased to learn that our Board of Trustees is in process of having a second parking lot developed near the Parish Hou The additional lot will not solve the parking problem, but we are optimistic that the problem will be alleviated. Thanks for your cooperation and patience.

PASTOR TO PEOPLE

On behalf of Jane and myself, please hear our expression of overwhelming gratitude for your thoughtfulness. The gift of a trip abroad is a marvelous idea. It has opened doors of communication here as wel as abroad. Our expectation now is to use this opportunity to establis a first-hand acquaintance with denominational work in the Middle East. We further expect to share this acquaintance with you at a December Family Night.

Leaving here on October 8, several days will be spent in Istanbul and Adana, Turkey visiting our mission stations. For a week we will b in Jerusalem, Israel and Amman, Jordan. Another week will be in Beiru to meet with the governing board of Near East School of Theology and to attend the Middle East Council of Churches as delegates of the UCC. Reformation weekend will be in Frankfurt, Germany and return home will be October 30.

We are fortunate that Dr. Clyde Fields is available to be our interim pastor for two of these three weeks. He, or Dr. Danieley, may be called in any emergency or need for pastoral services.

We are excited about this opportunity and are all the more pleased because of your excitement. You will be part of our thoughts and prayers and we hope to be of yours.

YOUTH WORDS FROM JILL

"Oh, no! Did you see that?"
"She rolled the ball down the wrong alley!"
"I can't believe she's in college."
"Maybe we should have started her out gradually with a simple activity like walking."

The comments I heard on the evening of September 23 weren't quite this desperate, but I wouldn't doubt that the Youth Fellowship members had second thought about ever suggesting bowling to me again. You've probably guessed that this was my first experience at bowling, and I loved it! Thanks to the understanding patience of the young people, I learned the proper way to hold the bowling ball. As far as what to do with it once I have a hold of it --- well, maybe next time.

Our evening did not end there. After a couple of games of bowling, all fourteen of us squeezed into our two available cars. (We're a very close group.) From there we went to the parsonage where we were greeted by two smiling faces and lots of goodies to eat. We all want to say, "Thank you!" to the Hamiltons' for inviting us.

The following Sunday was a special joy for me. You were all so kind to honor me at the covered dish supper. The evening filled my stomach and my spirits. On my parents' behalf, I can tell you that they are as happy for me to be a part of you as I am.

My last words include two requests. First, I want to encourage all Senior High Youth to join us Sunday evenings at 7:00 for fun and fellowship. Secondly, I would like to ask all interested adults to please volunteer to serve these V.I. Y. (very important youth) refreshments one Sunday evening. I will contact the parents by phone, but there is no penalty for other members who want to share in supporting the future adults of our church. If you are interested, please call me at the church on Tuesdays or Thursdays from 2:00 to 4:00 or leave a message with the secretary. You'll be glad you did and so will I!

FINANCIAL STATEMENTS

Financial Statements of your third-quarter contributions will be available in the narthex on October 14. Please secure your envelope. In it you will find an accounting of your contributions to current and benevolent expenses, the building fund, and the organ fund. Questions concerning your statement should be raised with the appropriate financial secretary or treasurer.

FROM THE PASTOR

As you read this note, Jane and I will have visited several of our mission sites in Istanbul and in Tarsus, Turkey where Louise and Beth Wilkins served as missionaries. Since last Friday we have been in Jerusalem and Jordan and leave Saturday for the Middle East Council of Churches Meeting in Beirut.

You are part of our prayers, and we trust, we of yours. You will certainly be in our thoughts on Sunday as Dr. Danieley and our two choirs lead your worship.

EVERY MEMBER CANVASS

Barry and Barbara Oxford are chairing our Every Member Canvass for this year. It is their hope that each of our members will assist in making this a most successful venture.

By this time, the Finance Committee has received 1980 budget requests and has presented a proposed budget to the Board of Deacons. It should be no surprise that the 1980 budget will be larger than the 1979 budget. We are nonetheless confident that we are sufficiently dedicated to pledge the budget in full.

In the mail you will receive pledge cards which may be returned to the church on November 4 or 11. Those who prefer may have a home visitation during the following week. We expect the canvass to be completed by Thanksgiving.

This year there will be three emphases:

1) T for TREASURE - for which you may submit a financial pledge
2) T for TALENT - for which you will be asked to indicate which service you will provide in the church and community in 1980.
3) T for TIME - the time needed to perform your voluntary service.

Yes, T-T-T is for TIME, TALENT and TREASURE. In 1980, we invite and urge each of our members to pledge of T, T, and T.

PARENTS' WEEKEND

Parents' Weekend at Elon College is October 26-28. We are pleased ave the Elon College Choir under the direction of Professor James n lead in our worship. Dr. Clyde Fields will be preaching the rmation Sermon.

YOUTH WORDS FROM JILL

"If given the opportunity, would you trade your parents for newer, glamorous models?" This question was directed recently to young le in a national survey. After reading about it, I decided to ront our own young people with the question. Mothers and Fathers lon College, North Carolina will be relieved to learn that their dren are not abnormal! Yes, our youth agreed with the majority of ican young people: Cheryl Ladd and Robert Redford would be ideal nts. When asked why a "new" set of parents might be in order, I d the following; "Mine are too protective." "They don't understand ide of things." These may be commonly heard complaints, but are ainly not comments to be ignored. The youth felt that the attrac- stars would be more fun. I believe there is a message in this. , fun and friends fit well together, but our young people are long- for the coming together of FUN and FAMILY! After more discussion, as agreed that our present parents have many good and admirable ities, which many of the screen stars may lack.

We did more than discuss the parents during our past two Sunday togethers. We played football, we began work on our youth news- er, and we went roller skating.....such grace I've never before on wheels!

We continue to enjoy the company of one another....having a good and hopefully learning a little along the way.

BACK TO ELON

It's nice to be back to home and family and friends and work. We are grateful to the many persons who have shared in additional responsibilities during our three-week absence. The pastoral services of Dr. Fields and Dr. Danieley are greatly appreciated by this pastor as well as the congregation-at-large. From the church staff, Suzanne and Mary Alice and John each performed beyond usual expectation -- and performed well. Others of you have in one way or another aided directly and all have assisted indirectly. Please accept our sincere thanks.

After such an enlightening experience there is much to share. We shall try not to monopolize your ears. However, on November 4, the sermon will refer to our mission sites and personnel in Turkey. We have also agreed to provide the program for a Family Night on December 10. That program most likely will focus on UCC service projects in the Middle East. That leaves the whole area of Arab-Israeli relations to be shared at another time.

Again we express our appreciation to all of you for the privilege and opportunity of these weeks of study and travel.

(Jane and Tom)

ELECTION DAY

Election Day in Elon College will be on November 6. We are pleased that three of our members are among the candidates for office. They are Tim Parker for Mayor, and Carole Blake and Ed Simons for the Board of Alderman. Among those who actually go to the polls to vote (we hope) will be all of us.

The Confirmation Class is composed of young people in grades 7, 8, or 9 who are preparing for church membership. Other events have delaye our beginning this year. However, open invitation is extended to all who meet briefly on November 11 in the church library. We hope to organize at that time and to establish a weekly meeting time. BAZAAR . . COOKBOOK . . AND THINGS THAT GO BUMP IN THE NIGHT

Would you believe Turnip Puffs and Grits Cassarole? These exotic dishes and many others will be featured in the new cookbook now being published. The Music Committee has been hard at work these past several months editing all of your recipes for the finished edition. While the work has been tedious at times, (is that a cup of sugar or a cup of flour?), it has also been enjoyable for the most part. (that's one/fourth cup melted BUTTER, not melted BUTTONS!)

The committee had hoped to have the cookbook available for purcha in early November, but it now seems more appropriate to coordinate its arrival with our Christmas Bazaar on December 1, 1979. It will definitely be ready by this time, so you may plan on giving it for a gift during the holiday season. The Family Night originally scheduled for November 4, 1979, will not be held. This event was to introduce the cookbook. We'll have more Bazaar news in the next Torch....

ANNUAL OFFERING FOR CHILDREN'S HOME

Each year our congregation enjoys making Thanksgiving a more enjoyable occasion. One of the ways we do this is through our special offering to the Elon Home for Children. Our gifts surely express our thanksgiving to God for gifts given to us, for the children, youth, administrative and professional staff, for the broad services rendered through residential care, foster care, day care, and Community and Family Servi

In 1978 our congregation gave $605 to the Elon Home. This year we have budgeted a minimum of one dollar per member, or $450. Our goal is to exceed last year's contribution.

A descriptive leaflet and offering envelope are included in this "Torch." Please address all checks to the church and do so before December 1. Happy Thanksgiving!

CANVASS LOOKING GOOD

Many thanks go to the following people who helped with the Every Member Canvass on Sunday, November 11: John Gerlach, Leroy Hughes, Gla Hughes, T.L. Smith, Howard Loy, Helene Ellis, Earl Danieley, Verona Danieley, Don Dill, Ralph Oxford, Gene Lankford, Louis Wilkins, Bill Blanchard, E.W. Brafford, J. L. Dixon, William Sloan, Bessie Sloan, and Bill Price.

Thanks also to the whole congregation for cooperating in the canva We won't publish total pledges yet because many families have said they will bring them or mail them this week. It is interesting to note, however, that so far two-thirds of our families have pledges approximately two-thirds of the proposed budget. That suggests that if everyone pled we will reach our goal. We believe we will.

ADULT MEMBERSHIP CLASS

It is our expectation to receive this year one more group of new members. The sessions of membership exploration will begin December 2 at 9:45 in the Church Library. New members may be received by Letter of Transfer, Profession of Faith, or Re-profession of Faith.

WALK-A-THON BENEFITS

Remember the Walk-A-Thon held October 7? The proceeds were designated to meet the hunger appeal of Church World Service. First of all, you will be interested to know that 1100 children, youth, and younger and older adults (ages 2 to 89) participated in the Walk. Secondly, with a financial goal of $10,000, pledge receipts now total $24,199. The participants represented 60-70 of the Alamance County Churches. From our congregation, Joy Hamilton and Jill Bennett participated. To their credit, we now have received a certificate commending the Elon College Community Church "for outstanding leadership and dedicated service in the campaign to help stop hunger around the world".

YOUTH WORDS FROM JILL

You may have noticed that there were no words to the youth in the last "Torch." This is not an indication of inactivity, however. It has been quite the contrary! We had fun learning a new game called "Hot Seat", we had a special Halloween get-together, we worked hard putting together material and ideas for our first newsletter, and last, but very far from least, we enjoyed a scrumptious spaghetti dinner provided by Mrs. Eleanore Kittenger with the assistance of Nora and Jim Griswold, Robert Kittenger, Mrs. Jane Hamilton, and Mrs. Irma Seamster. I'm not going to say anything more for fear of giving away some of the important information you will be reading in the youth newsletter, soon to be made available to Elon Community Church members.

CONFIRMATION CLASS

The Confirmation Class met on November 11 for its organized session. The class members decided they would meet weekly on Sunday afternoons at 4:00. The first session will be held November 18. The class is open to 7th, 8th and 9th graders who wish to prepare for church membership. Others are invited to meet with us on November 18.

A LATE BULLETIN

Please read this paragraph quickly and respond immediately because the time is almost upon us. A mini-tour of Davidson County Churches will be held this coming Saturday (Nov. 17). Churches to be visited include Beck's, Beulah, and Pilgrim in Lexington and Emanuel in Thomasville. A bus will leave St. Mark's Church (Burlingto at 8:30 a.m. Cost for the bus and lunch is $8.00 per person. If you can go, please call our Pastor or Rev. Bob Disher (584-8983) right now

"FAVORITE HYMNS" SUNDAY

We like to get suggestions. And we thought another good one came recently from one of our members. It came in the form of a question: "Some Sunday could we invite the congregation to suggest several "favorite" hymns?" We're going to try this on November 25. If you like the idea, we'll do it again in about a month. Thanks for suggesting i

TRUSTEES HANDLE EMERGENCY

It happened last Tuesday evening. A pipe burst near the water meter and we had a major gusher in our front church yard. Following work on Thursday and Friday of Thanksgiving weekend the damage was repaired and by Sunday we were back to normal. It's a good time to thank our Board of Trustees for the work they do year round. Especially thanks for solving this emergency problem while most of us didn't even know there was a problem.

YOUTH WORDS FROM JILL

I wish all of you could have been with us at Carolina Circle Mall Sunday, November 18. It was fun to see our young novices skating so well. Alan Young was even brave enough to try some figure skating. The youth themselves were surprised at the few falls they experienced. Right Andre!

Last week we started looking at the hows and whys concerning our moral values. What is right and wrong? What influences how we make ethical decisions? We viewed a filmstrip dealing with these question and more to help our discussion. Next week we plan on sharing some more of our thoughts and working through some Value Situations.

To close, I want to tell the youth who were away last Sunday tha we missed them and I hope everyone had a fulfilling Thanksgiving.

COLLEGE STUDENTS

It was good to have many of our college students back over the Thanksgiving weekend. Nice to see you. We want to invite you to ass with our Service while you are home over the Christmas holidays. How about a reunion here on December 30? There also will be a carry-in luncheon for you following the Service on that day. Please plan to j us!

A PLEDGING REPORT

We had expected to be able to present a final report on the Every Member Canvass by now. However, about 35 families have yet to submit financial pledges and even more are a little slow in presenting the Talent Inventory Sheets. (Both pledge cards and T. I. Sheets continue to be available in the narthex.)

As you see below our financial pledges exceed our totals of last year. However, the proposed budget has increased more than the pledges. The result is that to date we are still about $15,000 short of reaching our goal. The actual figures are as follows:

	Current	Benevolent	Bldg.	Total
Budget	$47,716.00	$9,250.00	$15,000.00	$71,966.00
Pledged	36,860.20	7,736.00	12,219.00	56,815.20
Deficit	10,855.80	1,514.00	2,781.00	15,150.80

CHILDREN'S CHOIR

The Children's Choir will have a special Christmas Party-Rehearsal on Saturday, December 8, from 10:30-12:00 noon. Please be here. The Children's Choir will be participating in the Christmas Choral Service on Sunday, December 9. (Mrs. Johnson, Director)

THANKS to the ADULT BIBLE CLASS for providing the Christmas tree in the narthex.

HAVE YOU ADMIRED the ceramic Nativity Scene in the narthex? It was made for us by the late Georgie Moore.

THE FINANCIAL PICTURE

Let's talk money for a change. Most of our people have been faith- and generous in contributions during this year. The financial sec- aries, however, still indicate that a fair percentage of pledges ains unreceived 'til the middle of December. We urge your participa- n in a financial way. Credit for 1979 contributions can be given il December 31. On that day our fiscal year ends and the record ks close.

We expect to be able to report an improved financial year if the ember income follows the usual pattern. However, at present we ll lack the $1,000 for the Elon College scholarship and several ller benevolent items. The Building Fund indebtedness is decreasing an additional payment before year-end would help us save on interest. ewhere we have mentioned the next payment on the new organ. And the rent fund is vital for day-to-day operation.

It isn't too early to say thanks for your financial commitment ch allows us to get on with the work of ministry and service--- nout always talking money.

CLOTHING FOR CHURCH WORLD SERVICE

Again this year we will join other congregations in providing clothing to needy persons through Church World Service. Articles of good used clothing may be brought to the church by February 1 or delivered directly to Emmanuel Methodist Church.

YOUTH WORDS

The youth and I are looking optimistically to the '80's. Our first meeting in January was spent evaluating our group since it was reorganized in September and discussing how it could be improved upon in the new year. We voted on past events we want to try again, new activities we want to try for the first time, and new topics we want to discuss. Everything looks bright. This past Sunday we had a program on "Listening". Through role playing, partner interactions, and the old game called "Gossip" we learned that listening isn't easy and becoming a good listener takes practice. Next Sunday we're going to have our Christmas Party. Yes, you read that correctly! Around Christmas time, our youth were so involved with extracurricular activities that we couldn't fit our party into the December calendar. We decided that it would be"better late than never." We will have our party at the Prices' home beginning at 7:00 p.m. We'll exchange gifts, carrying out the feeling that the Spirit of Christmas should be with us all year long.

(Jill)

MEN'S FELLOWSHIP

The Burlington District Churchmen's Fellowship will hold its quarterly dinner meeting at Carolina UCC on Thursday evening January 24 at 7:00 p.m. Reservations may be made by calling the church office by January 21.

FINANCIAL STATEMENTS

Financial statements of your 1979 contributions are available in the narthex until January 30. We like to ask our members to save us the cost of mailing --about $25 -- by picking up statements. Please secure your envelope. For your convenience they are in alphabetical order.

HUNGRY YOUTH

No, the members of the ECCC Senior Hi Youth Group are not starving, but they would welcome snacks and "goodies" provided for our meetings on Sunday evenings. Anyone in the congregation may participate, and we don't necessarily need fancy dishes--- we are easy to please! Sign up on the bulletin board near the church office for one Sunday in February or March, or call the church office and leave you name. Jill will then contact you. Thank you from all the youth!

YOUTH WORDS FROM JILL

Well, we all discovered that having a Christmas Party in January be more fun than having one in December! It was truly a joyous asion. No one had trouble locating the Prices' home, since it was only house in the neighborhood with a wreath on the door, a lighted e in the window, and stockings "hung with care" on the fireplace. Mrs. ce proved the value of her experience as a mother of four hungry sons one daughter when she piled up enough "munchies" for an army. And Price proved his fatherly "coolness" by remaining very calm and asant throughout the crowded, noisy evening. (Mind you -- it was oyful noisy.) I won't go into all the details of the evening, but l mention that all of us were surprised when Mr. and Mrs. Dean and and Mrs. Barbee appeared at the party. . . ? ? ? They quietly aked in with a birthday cake for Stacy and Bert. As if that weren't ugh, the Prices had a cake to celebrate Mrs. Barbee's birthday, too! hated to end the fellowship and leave the warmth of the Price home, finally we said our "goodnights", with our stomachs full of goodies our hearts full of love, knowing that we will always have friends share with. From all of the Senior Highs to Mr. and Mrs. Price: love you and we thank you!"

THE LAMP-POST PROJECT - HELP NEEDED

Remember reading in the annual report of the Board of Trustees we are hoping to have four lamp posts installed along our side of liamson Avenue? We have now committed ourselves to have installed additional posts. The installation will take place as soon as these s are received.

It is believed that this project, continuing the pattern in the ness block, will further enhance the attractiveness of our facilities. ill also be a safety feature.

The agreement with the Town of Elon College is that we will pur- e two fixtures and the Town will purchase the other two. After allation the Town will provide the costs of utility and mainten- .

At present we have in hand about half of the church's share of cost. $750. is still needed. If you can help raise this amount ontributions of $25, or $50, or $100, or more, please indicate on check that it is designated for the "Lamp-post Project".

YOUTH WORDS FROM JILL

The Youth are back in the swing of things after two Sundays off to snow and Family Night. This past Sunday evening we began looking our material for Youth Sunday. It looks good, but it's going to a lot of work. I'm one of the few people who can say this does worry me because this church has dedicated, top quality young le who will bring about the desired results once their minds are up and the leadership is provided.

I want to remind all youth members that it is essential that each you comes to our youth meetings in order for our group to have cessful rehearsals.

SNACK - TRACK

The youth would like to thank the Hursts and the Sloans for the icious refreshments they recently provided. Those who have unteered for March "Snack-Track" are: March 2- Mrs. Viola Dean, Mrs. Reggie McLelland, 16 - none needed, 23 and 30 - open.

ANTIQUE HALL TREE

Just at the time we were saying it would be real nice to have a way to hang jackets or coats of those who visit the church office, Gene Lankford said he might be able to help. And he has! Now we have placed in the office a lovely and majestic antique double hall tree with bench. It is also a valued treasure because it once was among the furnishings of Dr. and Mrs. G. O. Lankford.

Thanks to Mr. and Mrs. E. S. Lankford for this thoughtful gift. We invite you to come by and see and use our treasure.

EASTER LILIES

On Easter Sunday we hope to have additional Lily Plants to decorate the chancel. An insert in the bulletin will include names of donors. If you wish to contribute one of these lilies, please provide information to the office secretary by April 2.

Young people in grade 7 or older who would like to serve as acolytes should contact Viola Dean of the Worship Committee, or the Pastor. Men and women of high school age or older who are interested in serving as ushers should see Steve Perry or the Pastor.

SERVICE CANCELLED MARCH 2

We didn't want to do it! March came in like a snowy lion under ear-zero temperatures. By that Saturday evening the furnace was verburdened. Pipes froze quickly. By late evening it was certain e would not be able to heat for Sunday and therefore we notified he radio of the cancellation.

As some of you learned, arrangements were made with the Elon ollege Radio Station - WSOE - to broadcast portions of the Service. his was done. We have expressed our appreciation to Elon College nd station manager, Mr. Ansis Amallis, for providing this church and ommunity service.

DEACON NOTES

I would like to share with you actions of the Board which I elieve to be of interest to you.

Organ Removal - The organ has been donated to the First Moravian hurch, Greensboro, with the recipient church being responsible for ts removal. We expect the present instrument to be removed in arly April and the new organ to be installed by mid-summer.

Anniversary - Next year will be the 90th Anniversary of this ongregation. Dr. Alfred Hurst is chairman of a committee appointed o determine what role this event should play in the life of the hurch. We appreciate the members of this committee accepting this esponsibility.

Treasurer's Report - This report to the Board indicated that the urrent expenses have exceeded the receipts by $1,200. for the first wo months of the year. Snow seems to fall this year on Saturday nd Sunday, which accounted for a large reduction in attendance on ebruary 10. And again, cancellation of the Service on March 10 ue to the lack of heat, was caused by the weather. These two unusual undays have caused us to experience a loss of revenue. Most expenses f the congregation go on, in spite of the weather or lower amounts f money received. It is hoped that all of us keep this in mind s we give.

W. E. Price, Chairman

LAMP-POST PROJECT

Following our appeal in the last "Torch" for funds to purchase two lamp posts, contributions from several persons came to $185. If you can help to raise about $600. more with contributions of $25 or $50 or $100., please indicate on your check that it is designated for the lamp-post project.

The plan is to continue the pattern of lamp posts on the church side of Williamson Avenue. The town of Elon College is assisting also with the purchase and after installation will provide costs of utility and maintenance.

YOUTH WORDS FROM JILL

I was excited about the attendance of our last youth meeting and want to encourage all the youth to make a special effort to attend regularly for our rehearsals. Our success with Youth Sunday depends on each individual's efforts.

This coming Sunday we have a special activity planned. We will meet at the church at 6:30 and our guest, Suzanne Smith, will tell us about the Ralph Scott Group Homes for the mentally retarded, which are in Alamance County. We will then travel to the group home in Elon to share an hour of fun and fellowship. Later, we'll return to the church and discuss our evening. We plan to end at 8:30.

We will prepare our own snacks at the group home Sunday night, but thanks "in advance" to Reggie McLelland for March 23 and to Viola Dean for March 30.

HOLY WEEK

We enter the final week of Lent, called Holy Week, with two fresh perspectives: Our Lenten Studies each Wednesday have led us to new vistas from the Mountains of God. We are grateful to Dr. Overton, Dr. Fields, Dr. Sloan, Rev. Long and the Pastor for leading these sessions. Our Sunday Services have been a journey through Luke's Gospel as we asked what significance the Lenten experience brings to each passage.

The Sacrament of Holy Communion will be celebrated at the Maundy Thursday Service this tomorrow evening at 7:30. In this Service we will hear Scripture's story of betrayal, desertion, agony, vigil, arrest and the walk on the Via Dolorosa.

Coming Sunday is Easter and again we will gather to celebrate our Lord's Resurrection. Gathering about his table we will profess our desire to be numbered among his people and to walk in his ways.

Some of us will gather at 8:30 for an Easter Breakfast prepared by the Christian Education Committee.

Those who wish to place a lily in the chancel are reminded again to call the church office by Thursday.

FAMILY NIGHT

Our next Family Night will be on April 27 at 6:30 at upstairs McEwen Dining Hall. Music Committee is planning this evening as a celebration of our 89th birthday. As you will hear later, they are asking each family to bring a dish from a recipe included in our cookbook. Plan to join us.

THE TORCH

Published semi-monthly
during the weeks prior to
the first and third Sundays

YOUTH SUNDAY

Don't be surprised Sunday morning when you see all young faces smiling at you from the pulpit and choir areas. The Senior High Youth are conducting the Worship Service this Sunday. Our narrators are: Jonathan Blake, Stacy Dean, and Chris Vickers. The "voices" dating from the year 1603 to the present are Greg Price, Beth Barbee, Mark Ellis, Gray Lackey, Jeff Price, Andre Wilkins, Dan Hamilton, Tonia Seamster, and Alan Young. Four of these youth will also serve as musicians with the help of Mrs. Bragg, Charles Wilkins, and several visiting musicians.

With the increased concern in world affairs and the resurgence of American patriotism the youth felt the Christian Church in America should increase its awareness of worldly threats and how our faith in Christ must play an active role in gaining and maintaining "real freedom" for all. Through this Service, we hope to unite this congregation in an active march toward freedom for all people.

CAMP SHOW

Everyone is invited to the April 20 Youth Meeting. We are traveling down the road at 6:45 to St. Mark's UCC to see Rev. Richard Rinker present the 1980 camp show. It's a must that campers from previous years attend and see the 30-minute slide presentation, and it's also important that all parents and young people from rising 4th Graders through young adults attend to see what a grand experience camp can be and what is available this summer. For a relaxing, fun, and enlightening evening that will introduce you to an opportunity that could influence you for the rest of your life, meet in the church parking lot between 6:30 and 6:45 and we will carpool to St. Mark's. The program begins at 7:00 and ends at 8:00.

John's River Valley Camp is an outstanding UCC camp, and it is hoped that our congregation will continue to offer its support by sending more young people than ever before this summer. We'll be looking for you this Sunday evening!

(Jill)

APPRECIATION was recently shown to thirteen of our members who have helped to deliver Meals-On-Wheels to home-bound people in the Alamance County area. You will find their names on a certificate on the bulletin board near the office. We join A.C.C.E.S.S. in saying, "Thank you".

CENSUS WORKERS NEEDED

Census workers are needed for Alamance County and Burlington. at are the requirements?

SUNDAY SCHOOL NEWS

This year our Sunday School Gatherings have been a time of fellowship and sharing what we have mearned. In February we enjoyed a coffee hour sponsored by the Seekers Class, and in March we were treated to a puppet show presented by the Intermediate Class. The Senior Hi Class will be in charge of our April Gathering. Can we count on you to join us April 27 at 9:45 a.m. in the sanctuary?

MEN'S FELLOWSHIP

Efforts are being made to determine possible interest in forming a Men's Fellowship within our congregation. If you have an interest, we need to know it. So how do we begin? Well, we plan to have a supper meeting at Huey's Barbeque to talk about it. When? The date of April 17 is set and the time is 6:30. Whom shall we invite? All the men of the church. How many will come? We don't know, but we would like to see all who can make it.

Read on! The District Men's Fellowship will be meeting April 24 at 7 p.m. at Berea Church for dinner and program. We need to place reservations by April 20.

DEACONS INVITE YOU

The Board of Deacons invites you to attend its meeting of May 4 at 7:30 p.m. The meeting will take the style of an "Open Town Meeting" and will be held in the Parish House. For this meeting, the Board will:

1) conduct its usual business items
2) hear reports on committees' progress in meeting their annual goals
3) welcome any comments or suggestions on any subject from the membership.

The Board of Deacons is anticipating that this style of meeting will aid all of us by making the membership better informed and by making the Board better informed. Should this style prove to be a hepfu tool of communication it will be repeated from time to time.

ORGAN NEWS

Some of us heard the announcement last Sunday that our new Casavant Pipe Organ is to arrive here on May 12. That's a month earlier than we anticipated, but we're not complaining. It will take several weeks for the installation to be completed. That brings us one step closer to the realization of this ambitious project. In the meantime, thank you for your interest and patience.

BIRTHDAY CELEBRATION

Thanks to all who planned and attended our marvelous celebration last Sunday evening. It was a delight. We can't name everyone who helped; we shouldn't try. However, the list would include:

all the fine cooks
the Music Committee
those who decorated
the sketchers of our history
the emcee
Elon College
and all of you

We'll continue to celebrate the 39th birthday of our church as we worship and serve together through 1980.

RECOGNITION OF SENIORS (High School) AND BACCALAUREATE (College)

For the third consecutive year, our congregation will co-sponsor the Service of Baccalaureate for Elon College graduating seniors and their families. The Service this year will be in our sanctuary on May 17 (a Saturday) at four o'clock. The congregation is cordially invited to attend. The guest speaker will be the Rev. Mr. Bill Simmons, E. Va. Associate Conference Minister of the Southern Conference.

On Sunday, May 18, we want to recognize and honor the high school students who will be graduated this year. They are Jim Byers, Scott Dill, Barbie Elzey, Michele Long, Sharon Rinker, and Edrianna Updyke. (Please advise if any name has been omitted from this listing.)

PLEASE NOTE: The ENC Laity Meeting scheduled for May 4 has been cancelled due to insufficient registration.

MEN'S FELLOWSHIP

For several months we've been hearing comments about interest in starting a men's fellowship. So we did a very unscientific thing: we set a date and said, "Let's see if anybody comes". (Well, we actuall did more than that. We telephoned and otherwise publicized; and we secured a class A speaker in Dr. Danieley). Anyhow, the result was th about 24 men came. We all thought that was terrific.

Now we need to answer some questions.

1) What day is best for you? _____

2) What day is second-best for you? _____

3) Would you like a "meal" meeting? Yes___ No___

4) What is our purpose?

5) How often shall we meet? _____

6) Do you want a "program"? Yes___ No___

7) If yes, what type?

8) Any suggestions or comments?

(Signed) _____

Please return this form to the church office by May 4 or mail it in by May 7. The dates and time of our next meeting will be determin by the results of this mini-survey. Thank you for returning this she

CONCERT HONORS DR. MOORE

On April 28 Dr. C. Fletcher Moore was honored with a concert dedicated to him by the Music Department of Elon College and presented by the Community Orchestra, the College Choir, and our church Adult Choir. Dr. Malvin Artley conducted the orchestra during the first portion and James Glenn conducted the combined groups for Franz J. Haydn's Lord Nelson Mass. Bill Ginn was bass soloist and Denise Joines was soprano soloist.

Dr. Moore retires from the faculty this year after completing 45 years with the Music Department. For many years he was our church organist and is also a member of our congregation. We are pleased to join the college and community in honoring Dr. Moore.

CHURCH WOMEN UNITED

The Burlington Council of Church Women United will have its annual May Fellowship Luncheon on Friday, May 2 at 12:00 at the First Baptist Church, 400 S. Broad Street. The theme is "The Spirit of the Lord is Upon Me". This is the time when the link between Spirit and action and the importance of giving attention to both can be explored. We shall have Mrs. Jean Mobley lead with a Biblical study of the Spirit to challenge us to greater service.

Again, we ask that all of you bring any clean, repaired and used clothing for the migrant workers. . . men, women and children. Men's work clothes, shoes and new shoes for children are especially needed this year. Duffel bags (the size of pillow cases) can be used for suitcases. These can easily be made with a drawstring.

Mrs. Reggie McLelland is our Church Women United Representative. Call her today if you are interested in attending the May Fellowship Luncheon, or if you can help in any way with clothing for the migrant workers.

THE TORCH

Published semi-monthly during the weeks prior to the first and third Sundays.

NEW ORGAN IS HERE

It was an exciting morning on May 6. About 25 of us were here to welcome the semi-truck which carried the pipes, console, and other parts. Numerous cameras were used to record the event. One-by-one or two-by-two the pipes were placed cautiously on pews until placed in the chambers. It was hard to believe the promise that by Sunday the sanctuary would be cleared. It was. The console was in place. So were most pipes.

The work goes on now to complete the job. We wish we could tell you just when the new Casavant Pipe Organ will be available for our use. We know only that it will be at least a couple of weeks.

There remains the matter of the final payment. The third payment of $19,785.00 was paid two weeks ago. The last payment of $16,530.00 will be due in the next two months. Since we are ahead of schedule on installing the organ, we are behind schedule on the last payment. The Board of Deacons has voted that we borrow the necessary funds, anticipating that the loan can be repaid as pledges come in.

So if you can pay the balance of your organ pledge, we will need to borrow that much less. Others who have not pledged are also urged to join us in the final push to complete this project. Thanks to all for marvelous participation in this ambitious project.

MAY 14 CHRISTIAN MUSICAL

DEACON NOTES (cont.)

modification. We will have to deal with the financing of these items at the June meeting.

In the meantime, it would help if those of us who have organ pledges beyond July, 1980 would try to pay as much as possible before that date or as soon after as possible.

As Chairman of the Board of Deacons, I would like to thank each person for his or her interest and support in the activities of this church.

DEACON NOTES

The Deacons Meeting of May 4, 1980 was attended by 16 of the 18 eacons and approximately 30 members of the church. We heard reports rom seven of the eight standing committees and Dr. Hurst made a eport from the Anniversary Committee. It was most helpful to everyone n attendance to hear the progress being made in each committee and e appreciate each person being there.

During the committee reporting, several items of interest were resented:

1) Concern was expressed about lack of hot water available in the main building. Trustees agreed to replacement of element in the hot water heater.
2) The Board approved the employment of Miss Jill Bennett as Christian Education Intern from September 1980 through May, 1981.
3) Music Committee announced that the Dedicatory Service for the new organ will be September 14, 1980. It was recommended by this committee that a recital by a guest organist would also be desirable. The Board seemed to favor the recommendation but will have to deal with the financial aspect at the next meeting.
4) The Anniversary Committee presented six firm recommendations for the celebration of the 90th birthday. This report is being sent to each Deacon and will be discussed at the next Deacons Meeting.

Among other items presented to the Board were the following:

1) Plans are being made to dedicate the new light posts, recognize the donors, and present the posts to the Town of Elon College.
2) We were pleased that the new organ would be delivered at 8:00 a.m., Tuesday May 6. (We have also been pleased at the number of members that took part in the unloading of this instrument and the interest of members in its installation progress.

With the joy of receiving the new organ we also receive some problems. It is anticipated that pledges are adequate to cover the cost of the organ, but some of these pledges are not due until 1981. We could be short as much as $8,000.00 at the time of the final payment which is due in July. At the same time, we have a parking lot that needs paving and also we have the cost of the furnace

CONFERENCE MEETS HERE

The Fifteenth Annual Meeting of the Southern Conference will be held in our sanctuary June 6 and 7. Registration takes place at McEwe Dining Hall at 10:00 a.m. and the opening session begins at 1:30 p.m. Advance copies of reports may be read in the June issue of "Southern Conference News".

The Friday evening session will feature Gretchen C. Eick as speak Ms. Eick is an Associate for Public Advocacy in the UCC Washington Off for Church and Society.

Our congregation has elected Ken Harper as Delegate to Conference and Louis Wilkins as alternate delegate. Others are invited to attend as visitors without voting privileges.

ORGAN NOTES

Last Sunday you heard the report that the organ installation is progressing nicely. The pipes and console are in place. Chamber gril have been replaced. Most of the other chamber work is completed. The "rough-tuning" process is nearly completed with the "fine-tuning" stil to be done.

The Casavant workers are at their jobs steadily and are ahead of schedule. However, it is certain that we will not be using the new organ coming Sunday. Our hope is that it will be ready for use on Jun 8. We hope you can be with us for that momentous occasion.

FOR NEW MEMBERS

We like to offer the opportunity frequently for visitors to serio explore the meaning of Church membership. What is the UCC? What beli are commonly held? How does the congregation organize and function? What is expected of members?

These and other questions will be explored together at sessions held June 15, 22, and 29 at 9:45 a.m. in the Library-Conference Room. The next membership class will then be received in July. Invitation i openly extended to our visitors. Let's explore together.

MEN'S FELLOWSHIP

We asked for opinions and we got 'em. Thanks to all who responde to the questionnaire which appeared in "The Torch". Here is what you said.

We prefer Tuesday evening.

We like to eat.

A program would be fine.

Six meetings a year should be just right.

So we have taken your advice. Our next meeting will be July 8 at 6:30. We will try to adjourn by 8:00 p.m. A brief program is in the works. The program and place will be announced later.

As the plans now stand, we will be meeting on the second Tuesday evening of each odd month (Jan., March, May, July, Sept., and Nov).

A NOTE FROM JILL

Summer time is drawing near and with summer comes my temporary departure for John's River Valley Camp. I'm leaving with a sad and happ heart -- sad because I'll miss all of you at Elon Church, and happy because I look forward to working with young people in a camp setting. In addition, I know I'll be returning to all of you in September!

You should have seen me smile when I found out that you wanted me to come back and work with you again. I feel very complimented and I want to say "Thank You" to everyone for being so supportive. Without the dedication and efforts of the youth and the support of the other members, my job couldn't exist. Elon Church has beautiful young people and I want everyone to realize this.

Well, I'll be leaving June 8th to begin my camp work. I'll send a note for "The Torch" from time to time to let you know how I'm doing.

Have a nice summer, and SHALOM!

Michael Scott won third place for the Most Beautiful car built by a ten-year-old. Chris Bizon won First for the fastest car built by a nine-year-old. Lance Johnson won first for the fastest car built by an eight-year-old. Cherokee Council Race second place winners were Lance Johnson and Michae Scott, and Michael Morgan won a bicycle for selling most tickets.

JULY-AUGUST CHURCH SCHOOL

Each year we raise the question of whether or not to continue church school classes during the summer. We know some of our people will be out-of-town from time to time. And it taxes the morale of students and teachers to have very small classes. Again this year, however, we have answered "Yes, let's do and let's encourage and stimulate regular attendance.".

The summer session includes the Sundays of July and the first four Sundays of August. On August 31 we will hold Promotion Sunday and return to the fall schedule of classes. For the summer, then, the classes will be organized as follows:

Nursery:	(co-teacher needed)
K-grade 3:	
4 - 8	(co-teacher needed)
9 - 12	(co-teachers needed)
Adult Seekers Class	
Adult Bible Class	

Teacher volunteers for summer session or fall session should contact Mr. Bill Long, chairman of the Christian Education Committee, or the co-superintendents, Mrs. Barbara Byers and Mrs. Sandra Dill.

SUMMER CAMP

We already have sent seven reservations for summer camp at John's River. It isn't too late to register. Forms are available in the church office.

MAGNOLIA MEMORIAL ASSOC.

The Annual Meeting of the Magnolia Memorial Association will be held Sunday, June 1, at four o'clock at the Elon First Baptist Church. The Service will be conducted by Rev. Bruce Martin with Rev. Thomas Hamilton preaching.

The meeting will include a business session, election of officers, and reading of the Memoirs. Mr. E. S. Lankford is president of the Association.

We all heard it for the first time last Sunday as Mrs. Bragg playe through the introductory stanza of "The Church's One Foundation". What a marvelous experience for all.

DEACON NOTES

There were several items of business at the June Deacon's Meeting which may be of interest.

1) The financing of the organ, parking lot paving and the furnace modification over the next several months -- Response to the Organ Fund from the membership has been very good. If this continues during June, the balance requiring financing will be $6,000 or less. The decision has been made to pave the parking lot at a cost of $3,200 and not to pave the driveway until later. The estimate for the furnace conversion to gas is roughly $5,200.

   We will finance the furnace conversion and the parking lot paving from reserve funds. If the balance not received on the Organ Fund is $6,000 or less, we hope to secure a loan from the reserve fund to the Organ Fund, which means that we would not have to obtain a bank loan. Please note, however, that these funds would have to be paid back to the reserve fund. These three items will take every dollar available in reserve funds. This makes it very important that we collect our budget in this current year as we will not have anything to fall back on should expenses be greater than the receipts.

2) A small committee will be appointed to determine the implementation of the recommendations from the Anniversary Committee.

3) The Deacons, inactive Deacons, and the Outreach Committee were requested to meet June 8 to visit prospective members. Please, if anyone knows of persons interested in church membership, let the office secretary, the Pastor or me know at once. Keep an eye out for new people in the community.

I would like to take this opportunity to thank all who worked and planned to make the Hamilton's 25th Wedding Anniversary Reception possible and for making it such a wonderful day.

THE JUNE 29 CONGREGATIONAL MEETING

Moderator W. E. Price, Jr. presided over the Congregational Meetin last Sunday. The recommendation passed unanimously to proceed to renew our grant-mortgage with the Board for Homeland Ministries. This agreement is to be renewed every ten years with the Board. It is also understood that voluntary payments toward the $7,500. grant-mortgage may be made at any time.

We are grateful to the Board for Homeland Ministries for their assistance. As several of our members indicated, it would be good if we would plan to repay this grant-mortgage when our indebtedness is retired, thereby allowing another congregation to receive assistance.

COMMUNION TO BE SERVED

The Sacrament of Holy Communion will be celebrated on July 6, the first Sunday in the new quarter. Private Communion to the home-bound will be served by the Pastor next week if you will make request through the office secretary. The Deacons will meet at 10:45 Sunday for last-minute communion preparation.

TRUSTEES STAY BUSY

The Board of Trustees hopes that already you are enjoying the ewly-paved parking lot to the West of the Parish House. Though the ines are still to be painted, the lot already is used extensively. e are glad you find it useful.

As directed by the Board of Deacons we are also making arrangeents to have our furnace converted from oil to a combination of gas nd oil. It is anticipated that the primary use of natural gas will ecrease our cost of operation and maintenance. This project should e completed before the fall heating season.

A lesser problem has been to remedy the insufficient lighting in he north stairwell. This week we plan to install a florescent fixure which should solve the problem.

The Trustees are also studying methods of reducing energy conumption in cooling and in heating. We know there is need for additional insulation over the ceilings of both the sanctuary and the ducational unit; some overhead pipes need insulation; and when inances permit, we would like to complete the installation of storm indows.

We would be pleased to hear other suggestions you may have.

Have you noticed that the back page of "The Torch" provides a onthly up-date on our financial situation? Since this year is now alf gone and half to come, it is a good time to study these statistics.

So far we are less than half-way in each category of giving. e're not pushing the panic button because we are following our usual attern: we strive to accomplish more than we ever have before. Of ourse, it still is not a good pattern because the bills come due and ne benevolent needs remain whether it is summer or not.

The second thing we will do is to prepare a financial report for ach member on how you are doing. These quarterly reports will be eady for you on July 13. DEACON NOTES

The Board of Deacons held its regular monthly meeting on July 6. Much of the time was devoted to consideration of methods of energy conservation. Steps have already been taken to convert the furnace system to a combination of gas and oil and to begin installation of storm windows. Other suggestions were received to

1) add attic insulation
2) complete storm window installation
3) add storm windows for sanctuary or otherwise treat thermally
4) caulk all windows
5) insulate attic pipes
6) install attic ventilators

These projects, upon further study and review, are to be completed when funds are available.

A letter from Dr. Lightbourne was read expressing appreciation for the use of our facilities and other kindnesses for the Annual Conference Meeting.

It was also announced that Miss Lisa Johnston has been selected to receive the 1980-81 Community Church Scholarship to Elon College.

I would like to thank the members for their efforts in greeting visitors each Sunday. Our Deacons, and members of the Outreach Committee had a very productive visit of prospective members on June 8. This type of visiting means nothing unless we have a receptive membership. Thanks.

MEN'S FELLOWSHIP

Many of our men have expressed an interest in participating in a Men's Fellowship if we proceed to organize such a group. The effort is well under way. When we met last week, about 18 men enjoyed the fellowship. A committee was appointed to present nominations for officers. The men also agreed to do a service project: to paint the exterior of the parsonage. They plan to do this project on two evenings of next week -- Tuesday, July 22, and Thursday, July 24. Others are invited to bring a bucket and a brush.

The next scheduled meeting is September 9. Other plans for this meeting will be announced later.

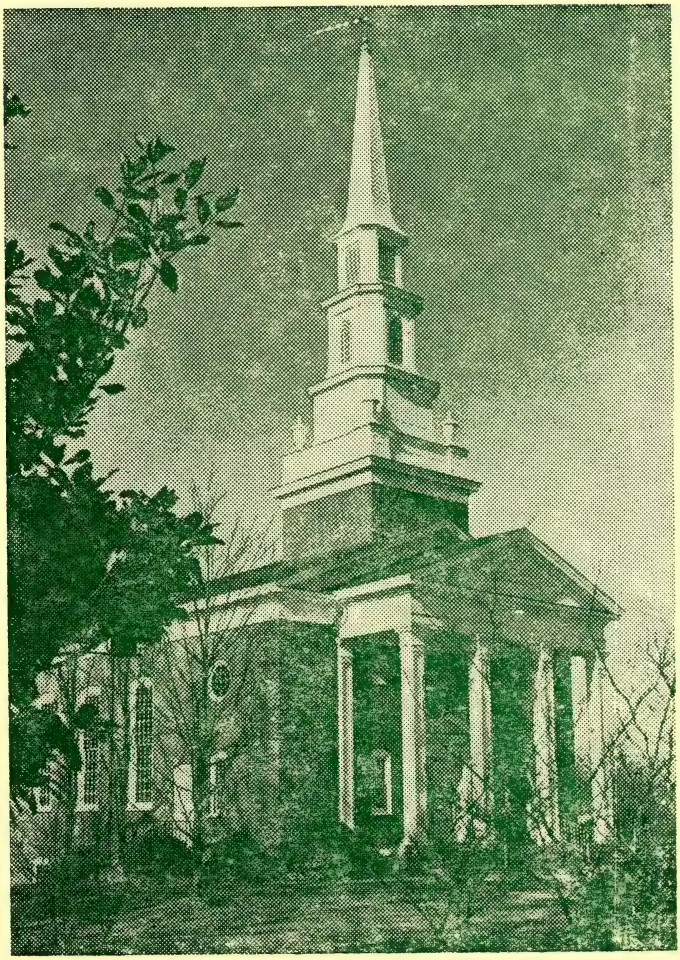
THE TORCH

Published semi-monthly during the weeks prior to the first and third Sundays.



WELCOME, NEW MEMBERS

On July 20 we were pleased to welcome three persons as new members of our congregation. They are Mr. and Mrs. Mike Mayse of 2613 Hickory Ave., Burlington (ph. 584-1198) and Mr. Michael Grant of Rt. 7, Box 152 Greenbriar Dr., Reidsville (ph. 342-1546).

Mike and Janet Mayse have one daughter, Elizabeth who is nearly two years old. Janet is a first grade teacher and Mike is self-employed with Mike Mayse Creative Photography on Hickory Ave.

Michael Grant is married to the former Anna Ruth Perry who is also a member here. They have one son, Michael Clark Grant who is nearly a year old. Mike is employed by Duke Power Company as Distribution Engineer in the Reidsville office.

We gladly welcome them to share with us in our mutual ministries through this congregation.

OOPS! THE ALTAR FLOWERS . .

We've made bulletin errors before and surely will again. We are pleased to record correctly this time that on July 27:

> The Altar Flowers were given to the Glory of God in honor of Mr. and Mrs. J. Mark McAdams as they celebrate the 54th Anniversary of their wedding. They are given by Mr. and Mrs. H. B. Whitcomb, Dr. and Mrs. E. B. Grimley, six grandchildren, and one great granddaughter.

The Elon College Community Church is proud to congratulate Mark and Kate, to share their Anniversary happiness, and to extend best wishes for many more happy years.

ACOLYTES NEEDED

Many of our adult members have expressed their delight that youth participates in our Service of Worship as acolytes. All of us appreciate these fine young people. They are dependable and they do a good job.

As a new school year approaches several of the "older" acolytes are retiring. New trainees are now needed. If you are in grade 7 or older and will assist with this program, please contact a member of the Worship Committee or the Pastor.

ORGAN TO BE CONSECRATED

It is with great pleasure and anticipation that we invite each member of our congregation and all guests to attend the worship service at our church on September 14, 1980. It is to be a very special service for our entire church family, for it is the time set aside for consecration of the new Casavant pipe organ.

This service will celebrate the culmination of nearly four years of dedicated effort and planning by our church and we can rejoice together in its successful conclusion. Participating in the service will be our minister, organist-choir director, Children's Choir, Adult Choir, instrumentalists, Chairman of the Board of Deacons, representatives of our Organ Committee, our Music Committee and from the Casavant Organ Company.

Following the service, you are invited to a buffet luncheon in McEwen Dining Hall on the Elon College campus. The cost of the luncheon is $4.00 per person. Please make your reservations by signing the poster in the Narthex.

Please plan to be with us on this very special Sunday.

PICTORIAL DIRECTORY

Here is your advance notice that we are planning now for a Church Pictorial Directory to be available early in 1981 - our 90th Anniversary Year. Mrs. Connie Howard and Mrs. Marsh McLelland are our co-chairpersons working with the Olin Mills Company.

It is our hope that every member and every family will be included. You will be asked to set an appointment to be photographed. Those dates will be October 16, 17, 18, and 21. Then you will set another appointment to select a pose. If you wish, you may order pictures; however there will be no pressure to do so.

In 1981 every family who is pictured in the Directory will receive a free copy. Again, we urge your full participation and cooperation.

CONSECRATION OF THE ORGAN

The Presentation of the Casavant-Frerés Organ Mr. Payne
The Acceptance of the Organ Mr. Price
The Service of Consecration Mr. Hurst

Pastor: In a spirit of humility and with hearts overflowing with praise, we would now consecrate this organ. We are conscious of the sacrifices of those who have gone before us even as we add what we can to those things that help us to worship the Lord in gladness. That the ministry of music in this church may be to the Glory of God we come now to consecrate this instrument of music.

To the Glory of God, the Father Almighty, that we may the more worthily worship him:

People: we consecrate this organ.

Pastor: To the Glory of Jesus Christ at whose coming to earth the multitude of the heavenly host sang the song of the ages - "Glory to God in the highest, and on earth peace to all" - that our joy in him may find the more worthy expression:

People: we consecrate this organ.

Pastor: To the Holy Spirit in whose fellowship the discords of life are lost in the glorious harmony of God, that we may more fully interpret his promptings in our minds and hearts:

People: we consecrate this organ.

Pastor: To the Church of Jesus Christ and its mission in the world; for the comforting of the sorrowful, the strengthening of the weak, the cheering of the weary, the swelling of the chorus in praise:

People: we consecrate this organ.

The Cathedral Chimes were given to the Glory of God in memory of Marsha Lou Lankford by her family and friends. They were added to the former instrument in January of 1966 and were re-installed for the present Casavant Freres.

The Casavant Organ, installed in the Elon College Community Church in June, 1980, contains twenty-three ranks of pipes with eighteen stops. The organ is encased in two chambers on either side of the sanctuary chancel. The console is placed centrally in the south choir loft. The cost of the organ was $65,100. The total cost of the organ project including sanctuary renovation was approximately $73,500.

Our funding campaign began in June, 1978. Since that time approximately $68,500 has been received for the organ, leaving a remaining debt of $5,000 in order to complete the project.

PROGRAM NOTES

gue in E flat - J. S. Bach, from the Clavier - Ubung iii (1739). The
. Anne's Fugue, as this great organ work is known, is so called
cause its theme is similar to the beginning of an English hymn tune
t. Anne" (usually sung to the verses beginning "O God, our help in
es past"). The fugue is unusual in compositional techniques in that
has three definite sections. The overall structure of a fugue is an
ternation of exposition (statement of main theme) and episodes
tatement of non-thematic material). The first section of this work
performed on the Great manual and utilizes the Principals 8' and 4'
th pedal accompaniment. The second section is performed on the Swell
nual with registration of Gedackt 8', Principal 4' and Scharf III.
e final section is played on the Great manual and combines the full
sources of the organ for an exciting finish to this great work.

orale in E Major - C. Franck. The three great organ chorales of
anck epitomize the Romantic period of organ literature. The section
this chorale that is performed today displays the more lush sounds
the organ. The opening statement uses the string stops on the
ell. The beautiful cantabile melody, that is a variation of the
eme, is performed with the flute stops on the Great.

ccata - L. Boellmann. The Gothic Suite for Organ by Boellman con-
udes with the fiery Finale. There are two contrasting sections in
is piece: first is the statement of the main theme in the pedal with
sixteenth-note manual accompaniment; second is the syncopated melodic
ssage that follows. The Finale builds increasingly in dynamics to
e final statement of the theme, this time played in octaves on the
dals.

Come, Ye Sons of Art" from Two Choruses from Queen Mary's Birthday Ode
1694) by Henry Purcell. This music was written on the occasion of
e birthday of the Queen of England, Mary Stuart, wife of William of
range. The English composer, Henry Purcell, was one of the most out-
tanding composers of the Baroque period. In the style of a Canzonet,
he exuberant text expresses the happiness of the occasion:

Come, come ye Sons of Art,
Come, come away.

Program Notes - continued

Tune all your voices and instruments play,
to celebrate this triumphant day.

The Trumpeters and Singers Were as One - Robert J. Powell. This contemporary festival anthem for mixed chorus, organ and Brass Quartet, takes its text from II Chronicles 5:13.

The Trumpeters and singers were as one,
to make one sound to be heard in praising
and thanking the Lord.
They lifted up their voice with the trumpets
and cymbals and instruments of music.
For He is good; His mercy endureth forever.

O Christ, Thou Lamb of God - Healey Willan. The seventh-century settin of the Agnus Dei has been arranged in contemporary style with different harmonies and rhythm. The text is John 1:29.

O Christ, thou Lamb of God, that takest away
the sins of the world,
have mercy upon us.
Grant us thy peace. Amen.

THE TORCH

Published semi-monthly
during the weeks prior to
the first and third Sundays

SEPTEMBER 14 - AN UPLIFTING DAY

September 14 was a good day for all of us. A large attendance of members and friends was on hand to hear the grand and glorious hymns, anthems, and organ presentations. Dr. Alfred Hurst led us in the responsive Litany of Consecration. As the Pastor later said, both the organ and we ourselves are consecrated as God's instruments.

Mr. Michael C. Payne of the Casavant Freres Company presented to Moderator Bill Price the keys to the organ. Judge D. Marsh McLelland was chairman of the Organ Committee and led in a Litany of Praise. Mrs. Mary Shaw Cunningham was a past chairman of the Music Committee and read the Scriptures.

Following the Service, 130 or so of us gathered at McEwen Dining Hall for a catered luncheon. It was a fine meal prepared for us by Mr. Howard Southerland and ARA Food Services. The lovely miniature roses at each place-setting were gifts to you from Mr. and Mrs. Waverly Hughes.

SEPTEMBER 14 TAPE TO BE PLAYED

You are invited to come to the Updyke Choral Center (no steps!) to hear the recording of our September 14 Service of Consecration.

The times are as follows: Friday, September 19 at 11:00 a.m.
Sunday, September 21 at 4:00 p.m.

If you could not be with us on September 14 or if you would like to hear the Service again, you are urged to come.

WE ARE ON WSOE

Beginning September 21 our Sunday morning Services of Worship will be broadcast on radio station WSOE, the Elon College station. WSOE may be located at 89 on the FM dial. We wish to thank Vic Vickers for making these arrangements. There will be a small cost in broadcasting but we are confident that matter will find a solution.

FALL MUSIC PROGRAM

As most of you probably know, our choirs have resumed rehearsals after a summer vacation. It is always with a sense of renewal that our plans are made and special programs are organized. Both of our choirs are composed of volunteer members from our congregation and we accept new members at any time. Mrs. Peggy Lackey directs the Youth Choir and they joined the Adult Choir for the consecration service last Sunday. This choir meets each Sunday morning at 9:30 in the Choral Center. We invite all children in second through eighth grades to become a part of this group. The Adult Choir meets each Wednesday evening at 7:30 p.m. and again, we issue an invitation to all interested in joining with us for fellowship and rehearsing.

Now that the new organ is a part of our music program, new areas of performance are possible and are part of the plans for future services. The first Sunday in September, the special music was a Frauenholtz Solo Cantata, performed by Denise Pleasant Joines, soprano, and Avie Barilovits, violin. As many of you know, Denise has been one of our soprano soloist for the past two years. She is a graduate of Western Alamance High School, and UNC-G, where she majored in voice. While a college student she was soloist with the many performing groups at UNC-G. She has performed with the Elon College Community Orchestra in the Messiah and the Hayen, Lord Nelson Mass. Avie Barilovits is a senior music major at Elon College. She is from Lakeland, Florida. At the present time Avie is an instructor in the String Enrichment Program at Elon, plays in the Elon College Community Orchestra and is recipient of the Elon Pops Scholarship Grant.

On coming Sunday, September 21, 1980, our special music will include trumpeter, Steve Hedrick. Steve is a freshman music major at Elon College and hails from Wytheville, Virginia. He is currently recipient of the Roanoke Youth Symphony Scholarship, the Dr. Renold Schilke Scholarship, Elon College Band Scholarship and Music Department Scholarship. At a special presentation ceremony last week on the college campus, he was awarded a custom-made horn honoring Maestro Dominic Cillicioho of California. Members of the Cillicioho family were here on campus to present the award to Steve. To such an outstanding young musician, we extend our congratulations.

Fall Music Program - continued

Sunday, September 28, 1980, our guest performer will be Mark Hauser, Oboist. Mark is Director of Bands at Eastern Alamance High School. He is a graduate of Appalachian State University and received his Master's degree from UNC-G. He has been a member of the Greensboro Symphony and the Elon College Community Orchestra.

It's the first time such a gathering of UCC youth has taken place and your suppor made it possible for Elon Church to send two of the 27 Southern Conferen delegates. We want to share this experience with you. Won't you join us?

YOUTH WORDS FROM JILL . . . . . .

This past Saturday the Youth experienced a day of hard but rewarding work Their combination Car Wash/Bake Sale proved successful only because of the young folk's enthusiasm and willingness to work. A special thank-you to the many supportive people who provided baked goods, gave donations, and brought their cars to be washed. We were blessed with a day of sunshine and smiling customers from the community, the college and the church. I'd like to add that not one customer returned with a complaint

Sunday morning the Youth Group Representative Committee, Alan Young, Stacy Dean, Jeff Price and Charles Wilkins, participated in the morning worship service. As the future laity of the church they shared some of the visions they hold for the future, hoping that those who heard would help them to make these visions realities by taking action today.

After much review and several minor changes, the motion was carried to use this budget as a working document in the pledge drive for 1981. THE TORCH

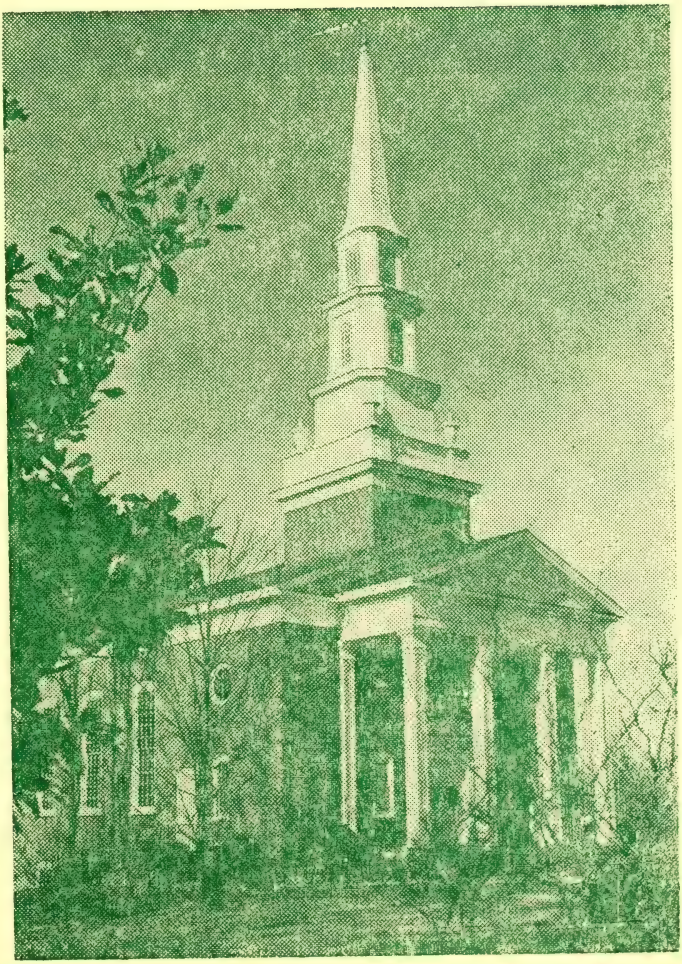
Published semi-monthly during the weeks prior to the first and third Sundays.



PLEDGES ARE COMING IN

Last week you received in the mail a copy of our 1981 Proposed Budget, a letter from the Finance Committee, and two pledge cards. Some of you already have acknowledged receipt by bringing or sending your new pledges. Thank you.

To be sure, the 1981 budget is an ambitious one. It reflects increased spending of almost 14%. Half of the increase, however, is in the category of insulation and winterization. The Finance Committee and the Board of Deacons are convinced we will recoup those expenditures by lower fuel bills. The proposed budget also includes projected salary increases of approximately seven per cent. Otherwise, the proposed budget is basically the same as the present one.

In order for you to participate directly in each portion of our congregational activities, we urge pledges in each of the categories of:

Current Expenses
Building Fund
Benevolence

"The Torch" reported to you recently that our Building Fund has a remaining indebtedness of $24,000. Our aim is to retire that debt before two more years go by.

Pledges may be mailed to the church at any time. Or you may submit your pledge with your tithes and offerings on the next two Sundays. On November 9 a Phonathon will be conducted to contact each member who has yet to pledge.

The continuation of our varied ministries needs your financial support. We believe once again our people will respond with the pledges to do what needs to be done.

WORLD COMMUNITY DAY

Church Women United of the area again are sponsoring World Community Day on November 7. The program this year will be held at Blessed Sacrament Roman Catholic Church at 10:00 a.m. The theme will be "The Spirit of the Lord Gives Power."

PARISH HOUSE IMPROVEMENTS

As many of our members have noticed, our Parish House is taking on new look. We expect that this week the job of exterior painting will e completed. At the same time, the four or five broken windows are eing replaced. During the next year our Board of Trustees is planning o prepare recommendations on whether or not the Parish House should be etained for long-term usage. If so, it will require considerable odernizing and renovation.

If you have been in the kitchen you have noticed also that someone as done a lot of cleaning. Give the credit to the Parish House ommittee of the Women's Fellowship. Just last week they came in with uckets and Spic and Span. Thanks to Edith Brannock, Teenie Burchfield, ary Fabian, Catherine Fogleman, Eleanore Kittenger, and Kathleen ankford.

Our problem should be clear to anyone who thinks about it. We ave a lot of groups who use the Parish House (and we are glad about hat). Each group can be helpful by doing a couple minutes of clean-up efore leaving. Kitchen items should be returned to their proper places. nd so on - we all know the helpful things to do. Your cooperation is ppreciated.

WOMEN'S FELLOWSHIP

ircles of the Women's Fellowship meet next week as follows:

YOUTH WORDS FROM JILL

The youth and I felt honored to have so many of you share in our NYE presentation. We hope you found the program informative and encourage you to ask Alan, Chris, or me any questions that come to your minds about our United Church of Christ National Youth Gathering. We're always happy to share our experiences.

The youth and I would like to say a special "thank you" to Mr. Howard Loy for keeping the "Putt-Putt" golf course open especially for our youth group this past Sunday evening. It was a chilly evening, but 15 of our young people didn't seem to mind as they enjoyed having the entire "Putt-Putt" course to themselves.

I would like to remind all Senior Highs that next Sunday, November 2, we will have a special cook-out dinner and Halloween costume contest. Mr. and Mrs. Bill Price will provide us with plenty of yummy "eats" while judges consider the winner of our costume contest. You don't have to wear a costume in order to eat, but your food will taste better if you join in the fun. The costumes will be primarily judged on originality and the winner will receive a gift certificate to the "Record Bar" in Holly Hill Mall.

Come join us for an evening of fun-filled fellowship.

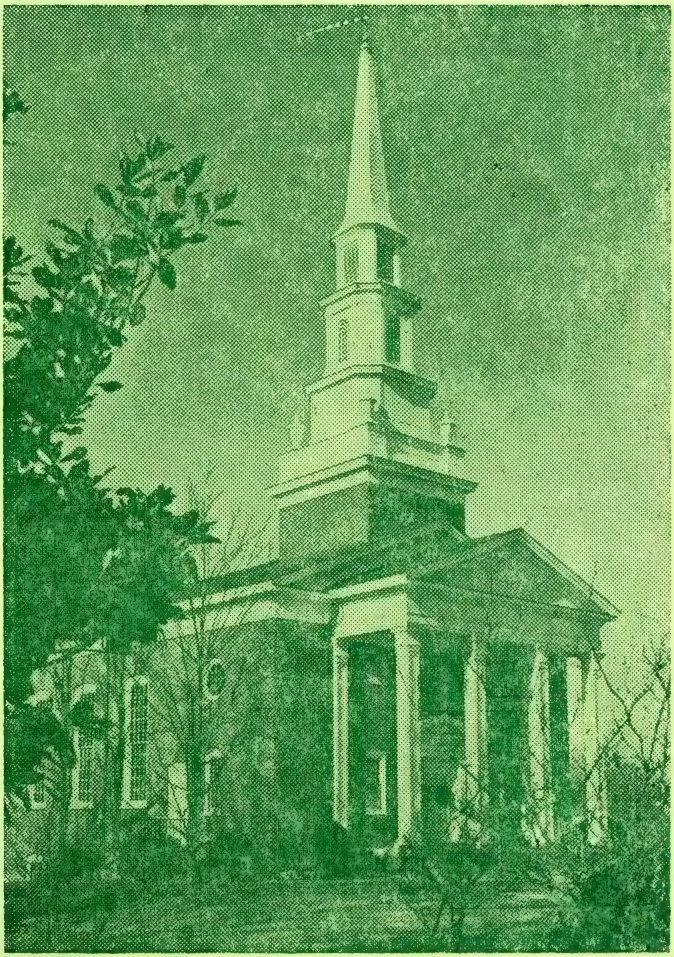
THE TORCH

Published semi-monthly during the weeks prior to the first and third Sundays.



EVERY MEMBER CANVASS

We wish we could report to you the results of the canvass to subscribe our 1981 Proposed Church Budget. Last Sunday the Finance Committee made phone calls to all members who had not already pledged. Many families indicated they will mail pledges this week. So we will delay a final report until the next issue of "The Torch".

However, it is clear already that the news is good. Pledges in hand exceed last year's effort by about $4,000. The committee remains optimistic that we will reach our goal. Your help is still needed if we are to complete this project this week.

On December 7 we will hold a congregational meeting to approve or modify the proposed budget.

CHILDREN'S HOME OFFERING

Each year at Thanksgiving time our congregation receives a special offering for the Elon Home for Children. This agency is located right near us and most of us are familiar with the excellent services offered by the dedicated staff of the Elon Home. We hardly need to promote or further publicize their activities - only to offer this time when we are preparing to make our annual contribution.

The goal we have set for 1980 is to give $450. This amount is based on a contribution of at least $1 from each of our members. Enclosed with this "Torch" is a descriptive leaflet and an offering envelope. Please address your checks to Elon College Community Church and designate for Elon Home for Children.

FUN CLUB

The Elon College Fun Club will hold its monthly meeting on Tuesday, November 18. The committee has decided to hold you in suspense about the nature of the program. Come and be surprised. The November meeting is always a highlight of the year. You are asked to bring a covered dish of your favorite food (s). Lunch will begin at 12:00 noon. You are also invited to bring a guest.

FAMILY NIGHT

's time, don't you agree, that we held another Family Night - especially it is the type where the ladies (and some men) prepare such excellent od. That's what is being planned for:

November 30
at 6:00 p. m.
in the Parish House.

re is your opportunity to be creative with any left-over turkey or atever. Please bring several covered dishes and your whole family. verage and table service will be provided.

EXCHANGE CLUB BRUNSWICK STEW SALE

you missed out on the last sale of brunswick stew by the Elon Exchange ub, you have one more opportunity. They will be prepared to sell you eshly cooked stew on November 21 at 4:00 p.m. until the supply is hausted. Cost will be $2.50 per quart with all profits designated for mmunity service projects.

OFFICIAL NOTICE IS GIVEN THAT A CONGREGATIONAL MEETING WILL BE HELD ON DECEMBER 7 FOLLOWING OUR SERVICE OF WORSHIP. AT THIS MEETING ACTION WILL BE TAKEN ON TWO ITEMS: 1. THE PROPOSED 1981 CHURCH BUDGET AND; 2. THE REPORT OF THE NOMINATING COMMITTEE. ALL MEMBERS ARE URGED TO ATTEND.

BAPTISMS

e Sacrament of Holy Baptism will be celebrated on Thanksgiving Sunday, vember 23. Please make arrangements with the Pastor at least a week advance.

ANDES HONORED

There was a fine gathering of folks at our Family Night last Sunday evening. We had food a-plenty and an enjoyable fellowship around the tables. But the nicest part of the evening was that the congregation was honored as we honored Dr. Bill Andes by designating him Pastor Emeritus of the congregation.

At the request of the Board of Deacons, Dr. Danieley presided over the recognition. He recalled several significant strides made by this congregation during Dr. Andes' pastorate here from 1954 to 1966. The affection of the congregation was expressed to Mrs. Andes as well, as Kristin Wilkins presented her a bouquet of long-stemmed red roses.

We are honored now to have with us two Pastors Emeriti. Dr. Alfred W. Hurst who served as our pastor from 1929-1932 was similarly recognized in 1979.

A THANKSGIVING PRAYER

The following was written by members of the Junior (grades 4 and 5) Church School Class, taught by Mrs. Hamilton and Mrs. Albertson.

Dear God,

We thank you for many things.

1. For the pilgrims and the friendly Indians who helped them.
2. For freedom to live in a free country and worship where we want to.
3. For families and friends.
4. For homes, churches, schools, hospitals.
5. For preachers, teachers, doctors and nurses.
6. For good health and medicine.
7. For the world.

Thank you for your son Jesus.

Amen

YOUTH NEWS

Need help raking leaves? Are your chores piling up too high? If you answered yes to one or both of these questions then read on.

Relief is just a phone call away and we spell relief "YOUTH". That's right, just call Jill Bennett at 584-6340 or Dan Hamilton (evenings) at 584-9294 and tell us what kind of help you need and we will arrange a working team of Senior High Youth to come to your rescue. Don't hesitate! We're ready and waiting! (Donations welcome.)

The Senior High Youth have decided to remember those in need as they prepare for the Christmas Season. The young people will be sponsoring a family through the Christmas Cheer program. This project they will handle on their own, but they are also sponsoring a very unique project this year which everyone is invited to help with.

On Sunday, December 7, a tree will be seen in the narthex. This very special tree will be called our "Tree of Warmth" because of the unique decorations we hope to hang on it. Our tree is to be decorated with new mittens, scarves, hats, sweaters, and any other articles of clothing that provide warmth on a cold winter day. We invite everyone to help us fill our tree with these decorations from December 7-December 21. These gifts of warmth will then be packed up and delivered "with love" to needy children and youth. (The exact destination will be known by December 14.)

CONGREGATIONAL MEETING - DECEMBER 7

A Business Meeting of the Congregation will follow the Service of Worship on December 7. Two items of business are to be considered:

1. The Report of the Nominating Committee. A copy of this report is included in this mailing for your examination.
2. Action on the Proposed Church Budget. The Every Member Canvass has been evaluated by the Board of Deacons as a marvelous success. At this point, 94% of the proposed budget has been pledged. The Deacons therefore recommend that the budget be adopted, with confidence that the balance of 6% will be forthcoming.

A PLEDGING REPORT

	Current	Benevolent	Building
Pledges Received	156	73	98
Budget	$54,717.00	$9,950.00	$15,000.00
Amount Pledged	$48,367.40	$8,609.30	$13,263.20
Outstanding	$ 6,349.60	$1,340.70	$ 1,736.80

Several families have indicated their intentions of submitting a financial pledge. Others have indicated they choose not to pledge but will contribute. Therefore, the Finance Committee and the Board of Deacons are recommending the adoption of the budget.

TOPS

TOPS Club meets in Elon College on Tuesday evenings at 7 p.m. at the Exchange Club Hut on Highway 100. For information, call 584-0823 or 584-1248 evenings.

WHAT IS TOPS? TOPS stands for Take Off Pounds Sensibly. It is a non-commercial, non-profit, international organization which was founded in 1948.

TOPS is a self-help organization, patterned after Alcoholics Anonymous, in which members provide each other with motivation in their weight-losing efforts. It employs group therapy, recognition, competition; education in nutrition and obesity research to help members reach and maintain their weight reduction goals.

Members meet weekly in local chapters. There is always a weigh-in followed by a program related in some way to weight control. Unlike commercial weight-control groups which involve weekly weigh-in with fees and listening to paid lecturers, TOPS charges no weigh-in fee and volunteers provide programs. Phone calls, cards, letters and personal visits all play a part in the common problem - obesity. Annual fees are $9.

TOPS has 337,200 members in 12,500 chapters in the U.S. and Canada.

All TOPS members are required to obtain their individual weight goals and diet plans from their personal physicians.

TOPS does not accept advertising for its publications and does not sponsor, sell nor promote products of any kind.

TOPS has contributed $1.8 million to the clinical study and research of obesity, metabolic reactions and related problems.

Women, men and pre-teens are welcome.

ADVENT APPRECIATION TO:

. . . The Kittenger Family for the Christmas wreaths on the front doors
. . . The Adult Bible Class for providing the Christmas tree in the narthex
. . . Mack and Gray Lackey for installing again the Advent (Moravian) Star over the chancel
. . . Mrs. Lorene Lyon for preparing the Advent Stand with a new wreath and candles.

CHRISTMAS PROGRAM AND CAROLING

Under the supervision of Ms. Jill Bennett, our Church School teachers are now preparing a Traditional Children's Christmas Program for children and adults on December 21. The program will begin at 6:00 p.m. The time is short so it is important that all children attend Church School classes the next three Sundays.

Then at about 6:45 you are invited to come with us to "carol" in the community. You may want to wear comfortable walking shoes, dress warmly, and bring a flashlight. If you can, also bring a snack because we will return to the church for refreshments. The caroling portion of the evening is being planned and sponsored by the Outreach Committee.

It should be fun for all ages. We hope you will join us, both for the Children's Christmas program and the caroling.

CHRISTMAS OFFERING FOR RETIRED MINISTERS

Each year the churches of the United Church of Christ receive a special offering for its retired clergy families across the world. These funds assist nearly 1000 retired ministers or their surviving spouses, showing appreciation for their years of service. Secondly, these contributions support an Emergency Fund for active and retired clergy.

Our congregation has voted a goal of $450.00 for this fund. A special offering envelope is included with this mailing. We urge your contributions!

AID FOR AFGANI REFUGEES

The United Church Ministerial Association of this area is sponsoring a refugee family from Afganistan. The husband, wife, and two year old daughter are expected to arrive in January. We are now seeking living accommodations, clothing, food, furniture, employment, and friendships for this family.

What a wonderful time of year this is to embark on this project. I am asking you for whatever help you can provide. In particular, gifts of money will help this family to be established. Any checks addressed to our church for this purpose will be used to provide basic necessities.

CHRISTMAS PROGRAM REHEARSAL

Saturday, December 20 we will be having our ONLY rehearsal for the Children's Christmas Program. If you have a part in this program you must come to rehearsal. There is a conflict with the Elon championship game, but "the show must go on!"

THE SCHEDULE

2:00 p.m. - All readers, bearers, candlelighters, and Nativity characters (Senior Highs, Middle Highs and Mr. Wilkins)

3:30 p.m. - All children, singers and accompanist, and Sunday School teachers

4:00 p.m. - Everyone participating

YOUTH WORDS FROM JILL . . . I would like to remind all Senior High Youth that our Ski Retreat has been set for January 24 and 25. I must have a $5 deposit by this Sunday, December 21. If you cannot get $5 let me know a definite yes or no.

Also, Senior Highs are reminded that all Christmas Cheer items are due by the end of church service Sunday, December 21. Call me if you need a suggestion as to what to purchase.

Our Christmas party will take place immediately following the Christmas Program rehearsal. We will leave the church for the Barbee residence where we will be fed supper. If you have not drawn a name for gift exchanging, please bring a small gift anyway.

You're a hard working group . . . your "yard raking" has proven that.

Thank you for 1980. I look forward to 1981.

TREE OF WARMTH

This is a reminder to all members and friends of Elon College Community Church that this is the LAST Sunday to decorate our "Tree of Warmth" in the narthex.

Our tree already has several items of warmth on it but more mittens, scarves, hats, sweaters, etc. are needed.

Please remember to hang your gift of warmth on our tree this Sunday.

All gifts will go to Uplands, a United Church of Christ organization providing services for retired citizens.

NEW YEAR'S EVE

We're trying something new this year, to close out 1980 and to begin 1981. The Men's Fellowship is planning a New Year's Eve get-together in the Parish House. They are inviting members and guests of all ages - children, youth, and adults. There will be table games, television, and other organized recreation. Refreshments will be served. The beverages will be provided; those attending may bring a plate of leftover Christmas goodies.

Come about 9:00 p.m. and stay as long as you like. We think it will be a nice evening.

JANUARY NOTES

January 4: The Sacrament of Holy Communion will be celebrated. Private Communion will be served in the homes of shut-ins upon request to the Pastor.

January 7: Reports are due from all committees, boards, and organizations of the church. These reports will be mimeographed and then distributed at our Annual Meeting of the Congregation.

YOUTH NEWS FROM JILL

As the youth and I bring 1980 to a close, we realize how busy we've been. Too many activities, programs, and projects have taken place since January, 1980 for me to list them here, but I will mention that we continue to move ahead with new activities and projects as we continue to grow and receive support from so many people.

I want to remind all youth that we will not meet January 4, but January 11 we will begin our 1981 Youth Group. All youth sharing in our Ski Retreat on January 24 and 25 should attend this meeting. If you have not turned in your $5 deposit this will be your LAST chance. I must make final reservations by January 12. I hope all of you can share in this fellowship and fun experience.

"Thank you" to the Senior Hi Youth for their generosity and love which was evident when they volunteered to sponsor a Christmas Cheer family, sponsor the "Tree of Warmth", and spend many hours raking yards for those who needed their youthful energy.

"Thank you" also to Mr. and Mrs. Bill Barbee and other parents for providing a Christmas dinner for the youth.

God's blessing to all in '81!

Jill

CHRISTMAS FUND FOR RETIRED MINISTERS

Many of our UCC congregations receive a special offering annually to assist nearly 1000 retired ministers or their surviving spouses. This offering is a demonstration of affection for their years of dedicated service. It also serves as an emergency fund for active and retired clergy.

This year our congregation has received $203 in funds designated for these purposes. From our other benevolent funds we will also designate enough to make a total contribution of $450, approximately $1 for each member.

A FAVOR, PLEASE?

Most of you know that we have been broadcasting our Service of Worship over WSOE (89.3 FM) for the last several months. Last Sunday with the ice and snow we still broadcast. The question is: "Are you listening?".

Please do us a favor. If you have been listening any Sunday, would you let us know by calling the church office? (584-0391). You may simply give the information to Mrs. Lucy Isley, the office secretary. Your responses will help determine if this service should be continued.

CONFIRMATION CLASS

Some of you have asked about it. You are correct that we are late in starting our new Confirmation Class of '81. These classes are for all young people in grade 7 or older. Our first session will be Saturday, January 10 at 11:00 a.m. At that time we will decide together on a regular meeting day and time.

JANUARY CIRCLE MEETINGS

Circles of the Women's Fellowship meet as follows:

Circle 1 meets January 5 at 10:00 a.m. with Gladys Hughes
Circle 2 meets January 5 at 10:00 a.m. with Phyllis Young
Circle 3 meets January 5 at 8:00 p.m. with Irma Seamster
Circle 4 meets January 5 at 7:30 p.m. with Gertrude Barney
Circle 5 meets January 6 at 7:30 p.m. with Goldie Smith

BAPTISMS

On December 21, the Service of Christian Baptism was held for:

Heather Denise Jordan, daughter of Mr. and Mrs. Benjamin Jordan;

Ashley Nicole Oxford, daughter of Dr. and Mrs. Gerry Oxford;

Brian Stewart Oxford, son of Mr. and Mrs. Barry Oxford.
